Re: Closure Administrative Order regarding Stateline Station Public Water System, PWS ID #5601525, Docket # SDWA-08-2015-0020

Dear Mr. Simpson:

This letter is to inform you of the EPA's decision to close the Administrative Order (Order) issued to RBD Ent, LLC on June 11, 2015, regarding the Stateline Station Public Water System (Stateline). The EPA has determined that Stateline has complied with the requirements of the Order.

Please be aware that Stateline is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$53,907 per day of violation.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact Kathelene Brainich at (303) 312-6481.

Sincerely,
