6. On May 30, 2008, EPA Enforcement Counsel and counsel for M.F. Reynolds discussed the M.F. Reynolds settlement offer.
7. During the May 30, 2008 discussion it was agreed that further discussion of settlement options would likely yield expeditious settlement of this matter.
8. On May 30, 2008, M.F. Reynolds requested that it be granted an extension of time until July 2, 2008 to respond to the Notice. The request was granted by the EPA Region 1 Hearing Officer.
9. On July 1, 2008, M.F. Reynolds requested that it be granted an extension of time until August 18, 2008 to respond to the Notice. The request was granted by the EPA Region 1 Hearing Officer.
10. Settlement discussions between EPA and M. F. Reynolds have continued and the parties have agreed in principle to the terms of a settlement of this matter.
11. The parties agree that a response to the Notice by M.F. Reynolds would unnecessarily expend administrative resources and that the parties wish to proceed to the finalization and execution of a Consent Agreement and Final Order.

CONCLUSION

For the above reasons, M.F. Reynolds respectfully requests that it be granted an extension of time until October 6, 2008 to respond to the Notice.
