Dear Ms. White:

This letter is in reference to our conversation today in your office, May 21, 2009 concerning the U.S. Environmental Protection Agency's request to hold the hearing in the above captioned case in a courtroom at the Russell Federal Building. It is my understanding that the courtroom located on the fourteenth floor, room 1401 of your building will be available for our use June 26, 2009.

The hearing is scheduled to begin at 9:00a.m. on Friday, June 26, 2009 and will be presided over by the Administrative Law Judge, Mr. William B. Moran, who resides in Washington, DC. Judge Moran has been advised of your request for names of all parties and any witnesses that will be attending hearing which will be used to obtain security clearance into the building. He is also aware of the rules prohibiting camera phones but will indicate on our list individuals who will be bringing laptops for litigation reasons.

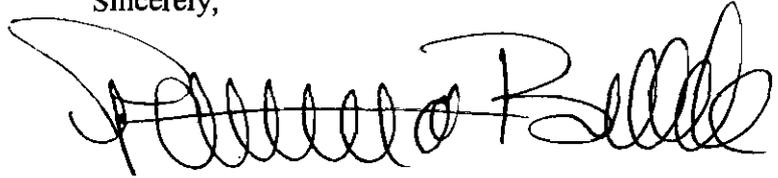

Also, a court reporter will be obtained by my office and I will advise you as soon as possible on the name of the company and the court reporter who will be appearing for the hearing.
