Re: Administrative Complaint to
The City of Stamford, Connecticut
Docket # CWA-01-2010-0057

Dear Attorney Kopf:

Please be advised that the undersigned represents the Stamford Water Pollution Control Authority.

Director Susan Studlien's letter dated March 9, 2011 to Myrcer Pavia has been given to me for a response.

I am aware that Jeanette Brown the Executive Director of the Stamford Water Pollution Control Authority met with you and Mr. Michael Fedak last Friday.

Mrs. Brown informed the Board of the Authority, at its regular monthly meeting on Tuesday April 5, of the letter of March 9th and her meeting at your office.

I am aware that Mrs. Brown is in the process of preparing responses to your agency's inquiries regarding the City of Stamford's CMOM Program.

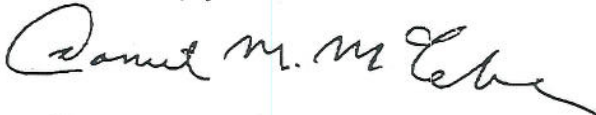

The Board of the Stamford Water Pollution Control Authority has taken your agency's concerns, as set forth in the letter of March 9th, very seriously.

I have been instructed by the Chairman of the Board to monitor this file to conclusion.

Therefore, I respectfully request that the Environmental Protection Agency grant an extension of the deadline for the filing of a request for a formal hearing and a response to the complaint from April 9, 2011 to May 11, 2011.

I have been informed by Attorney Michael Larobina, the Corporation Counsel of the City of Stamford that the Counsel's office does not object to the request for an extension of time.

Very truly yours,

Daniel M. McCabe
