2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without adjudication of any issues of law or fact herein.

II. PARTIES

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), Region 4, who has been delegated the authority on behalf of the Administrator of the EPA to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 16(a) of TSCA, 15 U.S.C. § 2615(a).

5. Respondent is Boneworks, LLC, a limited liability company doing business in the State of South Carolina. This proceeding pertains to Respondent's management of target housing located in the State of South Carolina.

III. GOVERNING LAW

6. Pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d, also known as Title X of the Housing and Community Development Act of 1992, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F (40 C.F.R. §§ 745.100-119) pertaining to the leasing of "target housing." Pursuant to Title X, it is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with a provision of Title X or any rule or order issued under Title X.
7. 40 C.F.R. Part 745, Subpart F imposes certain requirements on the lease of target housing. Generally, among other obligations under this Subpart, a lessor of target housing shall disclose to the lessee the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the lessee with a lead hazard information pamphlet; and attach specific disclosure and warning language to the leasing contract before the lessee is obligated under a contract to lease target housing.
8. The term "target housing" is defined at 40 C.F.R. § 745.103 to mean any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.
9. The term "residential dwelling" is defined at 40 C.F.R. § 745.103 to mean a single-family dwelling, including attached structures such as porches and stoops; or a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the residence of one or more persons.
10. The term "lessor" is defined at 40 C.F.R. § 745.103 to mean any entity that offers target housing for lease, rent, or sublease, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
11. The term "lessee" is defined at 40 C.F.R. § 745.103 to mean any entity that enters into an agreement to lease, rent, or sublease target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
12. The term "agent" is defined at 40 C.F.R. § 745.103 to mean any party who enters into a contract with a lessor, including any party who enters into a contract with a representative of the lessor, for the purpose of leasing target housing.
13. Pursuant to 40 C.F.R. § 745.113(b)(1), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): a Lead Warning Statement with the following language: "Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed

properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention.”

IV. FINDINGS OF FACT

14. Respondent is, and was at all times relevant to this CAFO, an “agent” that offered contracts to lease a “residential dwelling” that is “target housing” as those terms are defined at 40 C.F.R. § 745.103.
15. On March 27, 2024, an inspector with the EPA attempted to conduct an inspection at Respondent’s place of business located at 2615 Harvey Avenue, North Charleston, South Carolina 29404, for the purpose of evaluating Respondent’s compliance with the requirements of 40 C.F.R. Part 745, Subpart F. Upon arrival, no one was present at Respondent’s office. The inspector left a Notice of Inspection in Respondent’s mailbox and later emailed Respondent and requested that Respondent provide records that would have been reviewed by the inspection if the in-office inspection had occurred.
16. On August 7, 2024, Respondent submitted records to the EPA via email for review to evaluate its compliance with 40 C.F.R. Part 745, Subpart F.
17. Based on a review of Respondent’s records, the EPA determined that on or about June 29, 2023, Respondent had entered into a contract to lease the residential dwelling at 62 Reid Street, Charleston, South Carolina 29403, which was built in 1840 and is “target housing” as defined in 40 C.F.R. § 745.103.
18. The records provided by Respondent failed to demonstrate that Respondent had included as an attachment or within the contract to lease target housing the appropriate Lead Warning Statement as required by 40 C.F.R. § 745.113(b)(1).

V. ALLEGED VIOLATION

19. Based on the EPA’s review of Respondent’s records, the EPA alleges that Respondent, acting in its capacity as an agent for the lessor, failed to include as an attachment or within the contract to lease target housing, the appropriate Lead Warning Statement, in violation of 40 C.F.R. § 745.113(b)(1).

28. Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the costs of processing and handling the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:

- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued Interest are paid. 32. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).
33. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
34. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.

39. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
40. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
41. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
42. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in

force and shall not be affected thereby.

43. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
