ORDER GRANTING THIRD MOTION FOR EXTENSION OF TIME

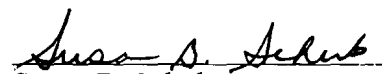

On December 20, 2007, Respondent, Southern Class Trucking, Inc., filed a third Motion to Extend Time ("Motion") in the above-captioned matter. The bases for Respondent's Motion are that a) Respondent is in the process of assembling certain financial information necessary for settlement; b) Respondent has given a notice of the claim to its insurer Progressive Insurance Company ("Progressive"), which, if covered, could provide additional source of funds for settlement and c) Progressive retained counsel to represent Respondent on December 18, 2007. Respondent further indicates that Counsel for Complainant is unopposed to an extension of time until January 31, 2008.

It appears that good cause exists for granting an extension of time for Respondent to file an Answer to the Complaint.

IT IS ORDERED:

Respondent's Motion is hereby granted. An Answer to the Complaint is due on or before **January 31, 2008**.
