The United States Environmental Protection Agency, Complainant, on behalf of RIM Operating, Inc., Respondent, requests an extension of time until November 29, 2010, for Respondent to file its Answer to the Complaint filed on September 27, 2010. Complainant does not object to Respondent's request for an extension of time. On October 27, 2010, the parties conducted a negotiation session and reached a settlement in principle. However, the public comment period does not end until November 25, 2010. Complainant will not settle this matter prior to considering any comments that may be submitted during the public comment period.

For the reasons stated above, Respondent respectfully requests an extension of time until November 29, 2010, to file its Answer to the Complaint.
