Re: Closure of Administrative Order for Compliance on Consent under Section 309 of the Clean Water Act Docket No. CWA-08-2017-0025

Dear Mr. Kukulski:

This letter is to inform you of the U.S. Environmental Protection Agency's (EPA's) decision to close the Administrative Order for Compliance on Consent (Order), Docket No. CWA-08-2017-0025, issued to the City of Billings on September 26, 2017. The EPA has determined that the City of Billings has no remaining obligations under the Order and, therefore, is closing the Order at this time.

Please be aware that the City of Billings is still required to comply with the Clean Water Act (Act) and its implementing regulations, including the pretreatment requirements pursuant to section 307 of the Act, 33 U.S.C. § 1317, and 40 C.F.R. part 403. Violations of the Act or its implementing regulations may result in a court-imposed injunction and/or penalties of up to \$54,833 per day for each violation.

If you have any questions regarding this letter or any other matters pertinent to compliance with the Act, you may contact Emilio Llamozas, Technical Enforcement, at (303) 312-6407 or llamozas.emilio@epa.gov. Any questions from counsel should be directed to Peggy Livingston, Senior Enforcement Attorney, at (303) 312-6858 or livingston.peggy@epa.gov.

Thank you for your assistance in resolving this matter.

Sincerely,

Stephanie DeJong, Unit Chief
NPDES Enforcement Unit
Office of Enforcement, Compliance, and
Environmental Justice
