Re: Closure of Administrative Order for Compliance on Consent under Section 309 of the Clean Water Act Docket No. CWA-08-2020-0006

Dear Mr. Pletcher:

This letter is to inform you of the U.S. Environmental Protection Agency's (EPA's) decision to close the Administrative Order for Compliance on Consent (Order), Docket No. CWA-08-2020-0006, issued to the South Fort Collins Sanitation District (District) on April 24, 2020. The EPA has determined that the District has no remaining obligations under the Order and, therefore, is closing the Order at this time.

Please be aware that the District is still required to comply with the Clean Water Act (Act) and its implementing regulations, including section 307 of the Act, 33 U.S.C. § 1317, and the Pretreatment Regulations found at 40 C.F.R. part 403. Violations of the Act or its implementing regulations may result in a court-imposed injunction and/or penalties of up to \$59,973 per day for each violation.

If you have any questions regarding this letter or any other matters pertinent to compliance with the Act, you may contact Al Garcia, Pretreatment Coordinator, at (303) 312-6382 or garcia.al@epa.gov. Any questions from counsel should be directed to Peggy Livingston, Senior Assistant Regional Counsel, at (303) 312-6858 or livingston.peggy@epa.gov.

Thank you for your assistance in resolving this matter.

Sincerely,

Colleen Rathbone, Manager
Water Enforcement Branch
Enforcement and Compliance Assurance Division
