Docket No. [insert] SDWA-08-2024-0049

Dear Mr. Murphy:

Please find enclosed an administrative order (Order) issued by the U.S. Environmental Protection Agency under the authority of section 1414 of the Safe Drinking Water Act, 42 U.S.C. § 300g3(g) for the YNP- Old Faithful Public Water System (System). The System is owned and/or operated by the U.S. Department of the Interior's National Park Service (NPS).

The EPA recognizes the NPS's efforts to resolve the System's noncompliance. Since being notified of the violations, the NPS has conferred with the EPA and worked diligently to correct outstanding issues and protect public health. The EPA and NPS share a goal for the System's users to receive high-quality drinking water, and the enclosed Order is intended as the fastest and best approach for achieving that shared goal.
