ORDER

The parties have requested a 45-day extension of time to file answers to the complaints concerning the above-referenced matters. Respondents have represented to Complainant, the United States Environmental Protection Agency, Region I, that the proposed penalties would have negative impacts on their businesses and need additional time to submit financial ability to pay documentation to the Agency, as well as time for Complainant's financial analyst to evaluate this documentation.

In accordance with 40 C.F.R. §§ 22.7(b) and 22.16(c), for good cause shown, Respondents are granted a 45-day extension of time to file answers to the complaints. Accordingly, the deadline for Respondents to file answers to the complaints is extended until the close of business on Monday, April 20, 2020.
