5. Respondent is Excalibur Homes, LLC, a limited liability company doing business in the State of

Georgia. This proceeding pertains to Respondent's management of target housing located in the State of Georgia.

### **III. GOVERNING LAW**

6. Pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d, also known as Title X of the Housing and Community Development Act of 1992, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F (40 C.F.R. §§ 745.100-119) pertaining to the leasing of "target housing." Pursuant to Title X, it is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with a provision of Title X or any rule or order issued under Title X.
7. 40 C.F.R. Part 745, Subpart F imposes certain requirements on the lease of target housing. Generally, among other obligations under this Subpart, a lessor of target housing shall disclose to the lessee the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the lessee with a lead hazard information pamphlet; and attach specific disclosure and warning language to the leasing contract before the lessee is obligated under a contract to lease target housing.
8. 40 C.F.R. Part 745, Subpart F, also imposes certain requirements on the sale of target housing. Generally, among other obligations under this Subpart, a seller of target housing shall disclose to the purchaser the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the purchaser with a lead hazard information pamphlet; and attach specific disclosure and warning language to the purchase contract before the purchaser is obligated under a contract to purchase target housing.
9. The term "target housing" is defined at 40 C.F.R. § 745.103, to mean any housing constructed prior to 1978, except housing for the elderly or persons with disabilities or any 0-bedroom dwelling (unless any child who is less than six years of age resides or is expected to reside in such housing).
10. The term "residential dwelling" is defined at 40 C.F.R. § 745.103, to mean a single-family dwelling, including attached structures such as porches and stoops; or a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the residence of one or more persons.
11. The term "lessor" is defined at 40 C.F.R. § 745.103, to mean any entity that offers target housing for lease, rent, or sublease, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
12. The term "lessee" is defined at 40 C.F.R. § 745.103, to mean any entity that enters into an agreement to lease, rent, or sublease target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
13. The term "seller" is defined at 40 C.F.R. § 745.103, to mean any entity that transfers legal title

to target housing, in whole or in part, in return for consideration, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations. The term “seller” also includes: an entity that transfers shares in a cooperatively owned project, in return for consideration; and an entity that transfers its interest in a leasehold, in jurisdictions or circumstances where it is legally permissible to separate the fee title from the title to the improvement, in return for consideration.

14. The term “purchaser” is defined at 40 C.F.R. § 745.103, to mean an entity that enters into an agreement to purchase an interest in target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
15. The term “agent” is defined at 40 C.F.R. § 745.103, to mean any party who enters into a contract with a seller or lessor, including any party who enters into a contract with a representative of the seller or lessor, for the purpose of selling or leasing target housing. This term does not apply to purchasers or any purchaser's representative who receives all compensation from the purchaser.
16. Disclosure requirements for sellers and lessors pertaining to lead-based paint hazards are contained in 40 C.F.R. § 745.107. Certification and acknowledgement of disclosure requirements in contracts pertaining to lead-based paint hazards are contained in 40 C.F.R. § 745.113.
17. Pursuant to 40 C.F.R. § 745.107(a)(1), before the purchaser or lessee is obligated under any contract to purchase or lease target housing that is not otherwise an exempt transaction, the seller or lessor shall provide the purchaser or lessee with an EPA-approved lead hazard information pamphlet. Such pamphlets include the EPA document entitled “Protect Your Family From Lead in Your Home” (EPA #747-K-94-001) or an equivalent pamphlet that has been approved for use in that State by the EPA.

19. Pursuant to 40 C.F.R. § 745.113(b)(1), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish), a Lead Warning Statement with the following language: “Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention.”
20. Pursuant to 40 C.F.R. § 745.113(b)(2), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of

lead-based paint and/or lead-based paint hazards. The lessor shall also disclose any additional information available concerning the known lead-based paint and/or lead-based paint hazards, such as the basis for the determination that lead-based paint and/or lead-based paint hazards exist, the location of the lead-based paint and/or lead-based paint hazards, and the condition of the painted surfaces.

21. Pursuant to 40 C.F.R. § 745.113(b)(5), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish), when one or more agents are involved in the transaction to lease target housing on behalf of the lessor, a statement that: the agent has informed the lessor of the lessor's obligations under 42 U.S.C. § 4852d; and the agent is aware of his/her duty to ensure compliance with the requirements of Subpart F of 40 C.F.R. Part 745.
22. Pursuant to 40 C.F.R. § 745.115(a), each agent shall ensure compliance with all requirements of 40 C.F.R. Part 745, Subpart F. To ensure compliance, the agent shall:
  - a) Pursuant to 40 C.F.R. § 745.115(a)(1), inform the seller or lessor of his/her obligations under 40 C.F.R. §§ 745.107, 745.110, and 745.113.
  - b) Pursuant to 40 C.F.R. § 745.115(a)(2), ensure that the seller or lessor has performed all activities required under 40 C.F.R. §§ 745.107, 745.110, and 745.113, or personally ensure compliance with the requirements of 40 C.F.R. §§ 745.107, 745.110, and 745.113.

#### **IV. FINDINGS OF FACTS**

23. Respondent is, and was at all times relevant to this CAFO, an "agent" that entered into contracts with "purchasers" and "lessees," as those terms are defined at 40 C.F.R. § 745.103, for the purpose of selling and leasing "residential dwellings" that are "target housing" as those terms are defined at 40 C.F.R. § 745.103.
24. On August 23, 2024, an inspector with the EPA conducted an inspection at Respondent's office located at 2855 Marconi Drive, Suite 310, Alpharetta, Georgia 30005, for the purpose of evaluating Respondent's compliance with the requirements of 40 C.F.R. Part 745, Subpart F.
25. At the time of the inspection, the inspector requested copies of Respondent's records to evaluate its compliance with 40 C.F.R. Part 745, Subpart F. Respondent advised the inspector that the requested records were not present at the office at that time but would be submitted after the inspection.
26. Subsequent to the inspection, on multiple dates, Respondent submitted records to the EPA for review to evaluate its compliance with 40 C.F.R. Part 745, Subpart F.
27. Based on a review of Respondent's records, the EPA determined that on or about August 18, 2023, Respondent, working as an agent on behalf of the seller, had entered into a contract to sell the residential dwelling that is target housing at 1010 Scott Boulevard, APT. D8, Decatur, Georgia 30030.
28. Based on a review of Respondent's records, the EPA determined that on or about December 20,

2023, Respondent, working as an agent on behalf of the lessor, had entered into a contract to lease the residential dwelling that is target housing at 3433 Keswick Drive, Chamblee, Georgia 30341.

29. The records submitted by Respondent to the EPA did not demonstrate that for the sale referenced in Paragraph 27, Respondent had included as an attachment to the contract to sell target housing, a statement by the purchaser affirming receipt of the required lead hazard pamphlet, as required by 40 C.F.R. § 745.113(a)(4).
30. The records submitted by Respondent to the EPA did not demonstrate that prior to entering into the lease referenced in Paragraph 28, Respondent had:
  - a) included as an attachment or within the contract to lease target housing the appropriate Lead Warning Statement, as required by 40 C.F.R. § 745.113(b)(1);
  - b) included as an attachment or within the contract to lease target housing a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards, as required by 40 C.F.R. § 745.113(b)(2); and
  - c) included as an attachment or within the contract to lease target housing a statement by the agent involved in the transaction to lease target housing that the agent had informed the lessor of the lessor's obligations, and that the agent was aware of their duty to ensure compliance, as required by 40 C.F.R. § 745.113(b)(5).

## **V. ALLEGED VIOLATIONS**

31. Based on the EPA's review of the records submitted by Respondent, the EPA alleges that Respondent, in its capacity as an agent concerning the sale of target housing described in Paragraph 27, failed to include as an attachment to the contract to sell target housing, a statement by the purchaser affirming receipt of the required lead hazard pamphlet, in violation of 40 C.F.R. § 745.113(a)(4).
32. Based on the EPA's review of the records submitted by Respondent, the EPA alleges that Respondent, in its capacity as an agent concerning the leasing of target housing described in Paragraph 28, failed to:
  - a) include as an attachment or within the contract to lease target housing, the appropriate Lead Warning Statement, in violation of 40 C.F.R. § 745.113(b)(1);
  - b) include as an attachment or within the contract to lease target housing a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards, in violation of 40 C.F.R. § 745.113(b)(2); and
  - c) include as an attachment or within the contract to lease target housing a statement by the agent involved in the transaction to lease target housing that the agent had informed the lessor of the lessor's obligations, and that the agent was aware of their duty to ensure

compliance, in violation of 40 C.F.R. § 745.113(b)(5).

40. "Proof of payment" means, as applicable, a copy of the check, confirmation of credit card or debit card payment, confirmation of wire or automated clearinghouse transfer, and any other information required to demonstrate that payment has been made according to EPA requirements, in the amount due, and identified with Respondent's name and Docket No. TSCA-04-2025-6113(b).
41. Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties

on debts owed to the United States and a charge to cover the costs of processing and handling the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:

- a) Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).
- b) Non-Payment Penalty. On any portion of a civil penalty more than ninety (90) days past due, Respondent must pay a non-payment penalty of not more than six percent (6%) per annum, which will accrue from the date the penalty payment became due and is not paid, as provided in 31 U.S.C. § 3717(e)(2) and 31 C.F.R. § 901.9(d). This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).
- c) Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average costs incurred. 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

42. In addition to what is stated in the prior paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:

- a) refer the debt to a credit reporting agency or a collection agency (*see* 40 C.F.R. §§ 13.13 and 13.14);
- b) collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. Part 13, Subparts C and H);
- c) suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (*see* 40 C.F.R. § 13.17); and/or
- d) refer the debt to the Department of Justice for litigation as provided in 40 C.F.R. § 13.33.

43. Penalties paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

## **VIII. EFFECT OF THE CAFO**

44. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
45. Pursuant to 40 C.F.R. § 22.18(c), full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.
46. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
47. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.
48. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
49. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, authorized representatives, successors, and assigns.
50. Any change in the legal status of Respondent, or changes pertaining to the ownership or management of the residential dwellings identified in Paragraphs 27 and 28, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
51. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
52. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the Party represented by that person to this CAFO.
53. By signing this Consent Agreement, both Parties agree that each Party's obligations under this CAFO constitute sufficient consideration for the other Party's obligations.
54. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the

possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.

55. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
56. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
57. Unless specifically stated otherwise in this CAFO, each Party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

#### **IX. EFFECTIVE DATE**

58. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Regional Hearing Clerk.
