STATUS REPORT

The Environmental Protection Agency Region 6 (Complainant) submits this statement with respect to the status of this matter.

Complainant and Respondent are in active settlement discussions. The parties participated in a telephone settlement conference on August 5, 2015, in an effort to resolve the Administrative Order. Respondent submitted to Complainant a compliance schedule on August 30, 2015. EPA reviewed the compliance schedule and found it was lacking in details. EPA emailed Respondent on August 31, 2015, a table with detailed contents it would like Respondent to include in the compliance schedule. A follow-up settlement call occurred on September 9, 2015, and the parties discussed and agreed to the revised proposed compliance schedule. Respondent stated that he would contact the Regional Hearing Clerk about withdrawing his request for a hearing.

Respectfully submitted,
