2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.

**II. PARTIES**

4. Complainant is Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency, Region 4, who has been delegated the authority on behalf of the Administrator of the United States Environmental Protection Agency (EPA) to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 325 of the EPCRA, 42 U.S.C. § 11045.
5. Respondent is Premier Magnesia, LLC, a limited liability company doing business in the State of North Carolina. This proceeding pertains to Respondent's facility located at 102 Commerce Street, Waynesville, North Carolina 28786 (Facility).

### III. GOVERNING LAW

6. Section 312 of EPCRA, 42 U.S.C. § 11022, and 40 C.F.R. Part 370, provide that the owner or operator of any facility that is required to prepare or have available a Material Safety Data Sheet (MSDS) or a Safety Data Sheet (SDS) for hazardous chemicals under the Occupational Safety and Health Act of 1970 (OSHA) and regulations promulgated under OSHA, shall submit to the Local Emergency Planning Committee (LEPC), the State Emergency Response Commission (SERC), and the fire department with jurisdiction over the facility a completed Emergency and Hazardous Chemical Inventory Form (Tier I or Tier II), pursuant to 40 C.F.R. § 370.40, containing the required information for hazardous chemicals present at the facility at any one time in the calendar year in amounts equal to or greater than 10,000 pounds and containing the required information for extremely hazardous substances (EHS) present at the facility at any one time in amounts equal to or greater than the threshold planning quantity (TPQ) or 500 pounds, whichever is less, by March 1 for the preceding calendar year. In 2012, the applicable OSHA regulation at 29 C.F.R. § 1910.1200(g) was revised to change the name of Material Safety Data Sheet (MSDS) to Safety Data Sheet (SDS). The pertinent EPCRA regulation found at 40 C.F.R. § 370.30(a)(1) requires that either an MSDS or SDS be submitted, or that a list of chemicals be submitted to the LEPC, SERC and fire department.
7. Magnesium Sulfate, Magnesium Oxide, Fragrance, and Sulfuric Acid are hazardous chemicals as defined by Section 329(5) of EPCRA, 42 U.S.C. § 11049(5). Sulfuric Acid is also listed as an EHS in 40 C.F.R. Part 355, Appendices A and B.
8. The owner or operator of a facility is required under 29 C.F.R. § 1910.1200(g) to prepare or have available an MSDS or SDS for Magnesium Sulfate, Magnesium Oxide, Fragrance, and Sulfuric Acid.
9. “Facility” means all buildings, equipment, structures, and other stationary items which are located on a single or on contiguous or adjacent sites and which are owned or operated by the same person (or by any person which controls, is controlled by, or under common control with, such person). Section 329(4) of EPCRA, 42 U.S.C. § 11049(4). *Facility* includes manmade structures, as well as all natural structures in which chemicals are purposefully placed or removed through human means such that it functions as a containment structure for human use. 40 C.F.R. § 370.66.
10. “Person” means any individual, trust, firm, joint stock company, corporation (including a government corporation), partnership, association, State, municipality, commission, political subdivision of a State, or interstate body. Section 329(7) of EPCRA, 42 U.S.C. § 11049(7).
11. Pursuant to Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), and 40 C.F.R. Part 19, the EPA may assess a civil penalty for each violation of Section 312 of EPCRA, 42 U.S.C. § 11022. Civil penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), may be assessed by administrative order.

### IV. FINDINGS OF FACTS

12. Respondent is required under 29 C.F.R. § 1910.1200(g) to prepare or have available an MSDS for hazardous chemicals under OSHA for Magnesium Sulfate, Magnesium Oxide, Fragrance, and Sulfuric Acid.

delinquent claim. Accordingly, EPA may require the Respondent to pay the following amounts on any amount overdue:

- (a) Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within 30 days of the Effective Date of this CAFO, Interest is waived. However, if the civil penalty is not paid in full within 30 days of the Effective Date of this CAFO, Interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued Interest are paid. This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).
- (c) Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average cost incurred. 31 C.F.R. § 901.9(c), and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

## VIII. EFFECT OF CAFO

29. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).
30. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
31. Nothing herein shall be construed to limit the power of EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment as provided under the Act.
32. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
33. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, servants, authorized representatives, successors, and assigns.

36. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
37. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
38. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.

39. EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to EPA. If such false or inaccurate material was provided, EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
40. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.
41. It is the intent of the parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
