32. Based upon this analysis, Complainant has determined that the Respondent has established that it is unable to pay the full amount of the civil penalty identified and set forth in Paragraph 29, above, within ninety (90) days of the effective date of this Consent Agreement and that a payment plan of the nature and duration set forth below is necessary and appropriate

  - b. **Payments 2 – 12:** The next eleven (11) installment payments (*i.e.*, payments 2 through 12) of **Two Thousand Five Hundred and Sixty-Seven Dollars and Nine Cents (\$2,567.09)**, shall each consist of a principal payment and applicable interest, as delineated in the Chart, below, and shall be paid on or before the 15<sup>th</sup> day of each successive month, from the date of the first payment until the final payment is made.

37. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment of the penalty as specified herein shall result in the assessment of late payment charges including interest, penalties and/or administrative costs of handling delinquent debts.
38. Payment of the civil penalty is due and payable, in accordance with the above terms and provisions, within ninety (90) days upon Respondent's receipt of a true and correct copy of the fully executed and filed Consent Agreement and Final Order. Receipt by Respondent or Respondent's legal counsel of such copy of the fully executed Consent Agreement and Final Order, with a date stamp indicating the date on which the Consent Agreement and Final Order was filed with the Regional Hearing Clerk, shall constitute receipt of written initial notice that a debt is owed EPA by Respondent in accordance with 40 C.F.R. § 13.9(a).
39. However, EPA will not seek to recover interest on any amount of the civil penalties that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a).
40. ADMINISTRATIVE COSTS: The costs of the EPA's administrative handling of overdue debts will be charged and assessed monthly throughout the period a debt is overdue. 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's *Resources Management Directives – Case Management*, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) days the penalty remains unpaid.
41. LATE PAYMENT PENALTY: A late payment penalty of six percent per year will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c).
