Re: In The Matter Of Riden Farm Supply, Inc.
Expididted Settlement Agreement and Final Order

Dear Regional Hearing Clerk (E-19J)

We are sending you a copy of our payment to the US-Treasurers Office of \$800.00.

Unfortunately our consultant that fills out these forms for us didn't realize we weren't signed up through him for electronic filing. This has been rectified and we are paying the fine.

Thank you.
Sincerely,

A handwritten signature in black ink that reads "Justin McGrew".
