III. GOVERNING LAW

A. Requirements Pertaining to the Leasing of Target Housing

6. Pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d, also known as Title X of the Housing and Community Development Act of 1992, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F (40 C.F.R. §§ 745.100-119) pertaining to the leasing of “target housing.” Pursuant to Title X, it is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with a provision of Title X or any rule or order issued under Title X.
7. 40 C.F.R. Part 745, Subpart F imposes certain requirements on the lease of target housing. Generally, among other obligations under this Subpart, a lessor of target housing shall disclose to the lessee the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the lessee with a lead hazard information pamphlet; and attach specific disclosure and warning language to the leasing contract before the lessee is obligated under a contract to lease target housing.
8. The term “target housing” is defined at 40 C.F.R. § 745.103, to mean any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.
9. The term “residential dwelling” is defined at 40 C.F.R. § 745.103, to mean a single-family dwelling, including attached structures such as porches and stoops; or a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the residence of one or more persons.
10. The term “lessor” is defined at 40 C.F.R. § 745.103, to mean any entity that offers target housing for lease, rent, or sublease, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
11. The term “lessee” is defined at 40 C.F.R. § 745.103, to mean any entity that enters into an agreement to lease, rent, or sublease target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
12. The term “agent” is defined at 40 C.F.R. § 745.103, to mean any party who enters into a contract with a lessor, including any party who enters into a contract with a representative of the lessor, for the purpose of leasing target housing.

13. The term “lead-based paint free housing” is defined at 40 C.F.R. § 745.103, to mean target housing that has been found to be free of paint or other surface coatings that contain lead equal to or in excess of 1.0 milligram per square centimeter or 0.5 percent by weight.
14. Pursuant to 40 C.F.R. § 745.107(a), before the lessee is obligated under any contract to lease target housing that is not otherwise an exempt transaction pursuant to 40 C.F.R. § 745.101, the lessor shall complete the activities set forth in 40 C.F.R. § 745.107(a)(1)-(4).
15. Pursuant to 40 C.F.R. § 745.107(a)(1), the lessor shall provide the lessee with an EPA-approved lead hazard information pamphlet. Such pamphlets include the EPA document entitled “Protect Your Family From Lead in Your Home” (EPA #747-K-94-001) or an equivalent pamphlet that has been approved for use in that State by the EPA.
16. Pursuant to 40 C.F.R. § 745.113(b)(1), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): a Lead Warning Statement with the following language: “Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention.”
17. Pursuant to 40 C.F.R. § 745.113(b)(2), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards. The lessor shall also disclose any additional information available concerning the known lead-based paint and/or lead-based paint hazards, such as the basis for the determination that lead-based paint and/or lead-based paint hazards exist, the location of the lead-based paint and/or lead-based paint hazards, and the condition of the painted surfaces.
18. Pursuant to 40 C.F.R. § 745.113(b)(5), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): when one or more agents are involved in the transaction to lease target housing on behalf of the lessor, a statement that: the agent has informed the lessor of the lessor’s obligations under 42 U.S.C. § 4852d; and the agent is aware of his/her duty to ensure compliance with the requirements of Subpart F of 40 C.F.R. Part 745.

B. Requirements Pertaining to Repair, Renovation, and Painting of Target Housing

19. Pursuant to Sections 402 and 406 of TSCA, 15 U.S.C. §§ 2682 and 2686, the EPA Administrator promulgated the “Residential Property Renovation Rules” at 40 C.F.R. Part 745, Subpart E, including the Pre-Renovation Education Rule; Renovation, Repair, and Painting Rule; and the Lead-Based Paint Activities Rule. It is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with any of the rules issued under 40 C.F.R. Part 745, Subpart E.

20. In accordance with 40 C.F.R. § 745.83, the definition of “target housing” found in the definitions set forth in 40 C.F.R. § 745.103, and restated in Paragraph 8 above, applies to the regulations in 40 C.F.R. Part 745, Subpart E.
21. The term “pamphlet” is defined at 40 C.F.R. § 745.83, to mean, in part, the EPA pamphlet titled “Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools” developed under Section 406(a) of TSCA for use in complying with Section 406(b) of TSCA, or any State or Tribal pamphlet approved by the EPA pursuant to 40 CFR § 745.326 that is developed for the same purpose. This includes reproductions of the pamphlet when copied in full and without revision or deletion of material from the pamphlet (except for the addition or revision of State or local sources of information).
22. The term “renovation” is defined at 40 C.F.R. § 745.83, to mean, in part, the modification of any existing structure or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an “abatement” as defined at 40 C.F.R. § 745.223. The term renovation includes but is not limited to the following: the removal, modification, or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); and the removal of building components (e.g., walls, ceilings, plumbing, windows).
23. The term “firm” is defined at 40 C.F.R. § 745.83, to mean a company, partnership, corporation, sole proprietorship, or individual doing business, association or other business entity; a Federal, State, Tribal, or local government; or a nonprofit organization.
24. Pursuant to 40 C.F.R. § 745.81(a)(2)(ii), no firm may perform, offer, or claim to perform renovations without having obtained certification from the EPA under 40 C.F.R. § 745.89(a)(1), which requires firms that perform renovations for compensation to apply to the EPA for certification to perform renovations.
25. Persons who violate 40 C.F.R. Part 745, Subpart E or Subpart F, are subject to civil penalties pursuant to Section 16 of TSCA, 15 U.S.C. § 2615, and 40 C.F.R. Part 19.

IV. FINDINGS OF FACTS

26. Poplar Homes was at all times relevant to this CAFO, an “agent” that offered contracts to lease “residential dwellings” that are “target housing” on behalf of a “lessor” as those terms are defined at 40 C.F.R. § 745.103, and a “firm” that offered to perform “renovations” for compensation as those terms are defined at 40 C.F.R. § 745.83.
27. On June 27, 2024, an inspector with the EPA conducted an inspection at Poplar Homes’ place of business located at 4000 South Saber Drive, Suite 300, North Charleston, South Carolina 29405, for the purpose of evaluating Poplar Homes’ compliance with the requirements of 40 C.F.R. Part 745, Subparts E and F.
28. At the time of the inspection, the EPA inspector requested copies of Poplar Homes’ records in order for the EPA to evaluate Poplar Homes’ compliance with 40 C.F.R. Part 745, Subparts E and

F. Poplar Homes' representative stated that the records were not available at that time but would be provided to the EPA after the inspection.

29. On July 18, 2024, Poplar Homes submitted records to the EPA for review to evaluate its compliance with 40 C.F.R. Part 745, Subparts E and F.
30. Based on a review of Poplar Homes' records, the EPA determined that Poplar Homes had entered into contracts to lease the residential dwellings (the Properties) that are target housing (constructed before 1978) on behalf of a lessor at the following locations on the specified dates listed below:
 - a. 125 Mellard Drive, Goose Creek, South Carolina 29445, built in 1977, lease entered into on March 6, 2023; and
 - b. 2046 Green Park Avenue, Charleston, South Carolina 29414, built in 1971, lease entered into on October 1, 2022.
31. The records provided by Poplar Homes demonstrated that:
 - a. Prior to the lessees becoming obligated under the leases for the Properties, Poplar Homes had not provided the lessees with an EPA-approved lead hazard information pamphlet as required by 40 C.F.R. § 745.107(a)(1);
 - b. Poplar Homes did not include as an attachment or within the contracts to lease target housing the appropriate Lead Warning Statement as required by 40 C.F.R. § 745.113(b)(1);
 - c. Poplar Homes did not include as an attachment or within the contracts to lease target housing a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards as required by 40 C.F.R. § 745.113(b)(2); and
 - d. Poplar Homes did not include as an attachment or within the contracts to lease target housing a statement by the agent involved in the transaction to lease target housing that the agent had informed the lessor of the lessor's obligations, and that the agent was aware of his duty to ensure compliance as required by 40 C.F.R. § 745.113(b)(5).
32. Based on a review of the records submitted by Poplar Homes, the EPA determined that Poplar Homes entered into property management agreements with the lessors of two residential dwellings listed below that are target housing under which Poplar Homes offered to perform, and had the authority to perform, renovations, as that term is defined by 40 C.F.R. § 745.83, for compensation:
 - a. 125 Mellard Drive, Goose Creek, South Carolina 29445, built in 1977, property management agreement entered into on December 12, 2022; and
 - b. 2046 Green Park Avenue, Charleston, South Carolina 29414, built in 1971, property

management agreement entered into on July 12, 2019.

33. The residential dwellings were constructed before 1978 and are “target housing” as defined at 40 C.F.R. § 745.103.
34. The records submitted by Poplar Homes did not show that prior to, and after the time the company entered into the above-referenced property management agreements under which it offered to perform and was contractually obligated to perform renovation work at the residential dwellings, that Poplar Homes had obtained “firm certification” as required by 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).

V. ALLEGED VIOLATIONS

35. Based on the EPA’s review of the records submitted by Poplar Homes subsequent to the EPA’s inspection, the EPA alleges that Poplar Homes in its capacity as an agent concerning the leasing of target housing described in Paragraph 30, failed to:
 - a. Provide the lessees of the Properties with the EPA-approved lead hazard information pamphlet prior to the lessees becoming obligated under the leases in violation of 40 C.F.R. § 745.107(a)(1);
 - b. Include as an attachment or within the contracts to lease target housing the appropriate Lead Warning Statement, in violation of 40 C.F.R. § 745.113(b)(1);
 - c. Include as an attachment or within the contracts to lease target housing a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards, in violation of 40 C.F.R. § 745.113(b)(2); and
 - d. Include as an attachment or within the contracts to lease target housing a statement by the agent involved in the transaction to lease target housing that the agent had informed the lessor of the lessor’s obligations, and that the agent was aware of his duty to ensure compliance, in violation of 40 C.F.R. § 745.113(b)(5).
36. Based on the EPA’s review of Poplar Homes’ records referenced above, the EPA alleges that prior to, and after entering into the property management agreements described above whereby Poplar Homes offered to perform and was authorized to perform renovations for compensation, Poplar Homes failed to apply to the EPA and obtain firm certification, in violation of 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).

45. Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the costs of processing and handling

the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:

- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).

This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).

Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average costs incurred. 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

46. In addition to what is stated in the prior Paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:

- a. refer the debt to a credit reporting agency or a collection agency (*see* 40 C.F.R. §§ 13.13 and 13.14);
- b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. Part 13, Subparts C and H);

- d. refer the debt to the Department of Justice for litigation as provided in 40 C.F.R. § 13.33.

47. Penalties paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF THE CAFO

48. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
49. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).
50. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
51. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.
52. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.

56. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
57. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
58. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and

complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.

59. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
60. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
61. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.
