Re: Stop Sale, Use or Removal Order
In the Matter of J. Oliver Products, LLC
EPA Docket No. FIFRA-07-2017-0455

Dear Mr. Oliver:

VACATION OF STOP SALE, USE, OR REMOVAL ORDER

On September 29, 2017, the Environmental Protection Agency, Region 7 (EPA), issued a Stop Sale, Use or Removal Order (SSURO), Docket No. FIFRA-07-2017-0455 to J. Oliver Products, LLC the pesticidal product Warthog 2 EC, EPA Registration Number 83222-30 (the Product). The SSURO was issued because EPA had reason to believe the Product was adulterated.

Subsequent to issuance of the SSURO, the EPA received information from J. Oliver Products, LLC, detailing compliance with the SSURO and application of the product in accordance with the Mississippi Department of Environmental Quality's approval letter dated August 30, 2017. Based on the actions taken by J. Oliver Products to comply with the SSURO, the SSURO is hereby vacated for all sizes and quantities of the Product subject to the SSURO, and is EFFECTIVE IMMEDIATELY.

This vacation of the SSURO does not preclude the EPA from taking additional enforcement actions for any violations of FIFRA.

If you have any questions about this matter, please contact my staff member, Mark Lesher, at (913) 551-7054 or the attorney assigned to this matter, Clarissa Howley Mills, at (913) 551-7743.
