Respondent

Order

On June 20, 2012, Complainant filed a response to the show cause order issued June 18, 2012. The response includes a detailed chronology of the various filings in these proceedings, and a statement of the current status of the proceedings. Although Complainant does not expressly address its failure to timely file a status report required by my order dated June 8, 2012, I find, based on review of the record as a whole, that dismissal of these cases is not warranted. Respondents, which have failed to participate in these proceedings in any way, are not prejudiced by allowing these proceedings to continue.

Therefore, I will treat Complainant's June 20, 2012 response as a motion to file the status report contained therein out of time, which motion is granted. Complainant is expected to strictly adhere to any deadlines which may be established in these proceedings in the future.

Ordered this 21<sup>st</sup> day of June, 2012.
