Re: Majestic Pointe, Phase I  
Order for Compliance on Consent  
Docket No. CWA-07-2016-0026

Dear Mr. D'Amico:

The above-referenced Administrative Order for Compliance on Consent was issued by the U.S. Environmental Protection Agency to Majestic C Team under the authority of Section 309(a) of the Clean Water Act, 33 U.S.C. § 1319(a). The EPA has determined that all requirements of the AOC have been adequately met.

This letter serves as a notification to you that the EPA is terminating the AOC. The decision to terminate the AOC is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the AOC. Termination of this AOC in no way relieves you of the obligation to comply with your National Pollutant Discharge Elimination System permit and all applicable statutes and regulations. The effect of this termination is limited to the requirements imposed under the AOC. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Jodi Bruno, of my staff, at (913) 551-7810, or Christopher Muehlberger in the Office of Regional Counsel at (913) 551-7623.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffery Robichaud".
