Re: Closure of Administrative Order, South Circle Improvement and Service District Public Water System, PWS ID #WY5601640, Docket No. SDWA-08-2012-0047

Dear Mr. Murphy:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket No. SDWA-08-2012-0047, issued on August 27, 2012, to South Circle Improvement and Service District (District), owner and/or operator of the South Circle Improvement and Service District Public Water System (System). The EPA has confirmed that, as planned by the District and approved in EPA's Order Addendum letter of September 30, 2013, the System has become part of the distribution system of the Town of Ten Sleep public water system (PWS ID#WY5601203). As a result, the EPA has deactivated the System as a public water system, and, therefore, we will also close the Order at this time.

If the District has any questions about this matter, it may call Mario Mérida at 303-312-6297.

Sincerely,

A handwritten signature in black ink that reads "Kimberly Pardue-Welch".
