Hi Ladawn:

Per our conversation regarding the subject matter:

Docket No. TSCA-05-2008-0016 was issued when the complaint was filed in FY '08

Docket No. TSCA-05-2009-0007 was issued when the CAFO was filed in FY '09 - this number was issued in error most likely due to the fact we did not reference the previously filed complaint.

We need to keep **0016** which is currently open and close it out ---- reference **0007** in the file as having been issued in error and delete it from the docket. If you have any questions, don't hesitate to contact me ...
