RESPONSE TO REQUEST FOR EXTENSION OF TIME

Pursuant to 40 C.F.R. § 22.16(b), the Environmental Protection Agency, Region 6 ("Complainant") responds to Respondent's request for an extension of time.

On February 16, 2021, Respondent emailed the Regional Hearing Clerk a request for a three-month extension and raised an inability to pay the proposed penalty claim. On March 2, 2021, counsel for Complainant spoke with Respondent to clarify the Respondent's reasons for the extension request. Respondent clarified that it is requesting an extension of time to submit documentation to Complainant in support of the inability to pay claim and to allow for settlement discussions. Complainant is not opposed to Respondent's extension request for the reasons listed above.

THEREFORE, Complainant respectfully requests that the Court grant the Respondent's request for an extension of time.

Respectfully submitted,
