ORDER TERMINATING ALTERNATIVE DISPUTE RESOLUTION PROCESS

An Unopposed Motion to Amend [the] Complaint has been filed by complainant in this proceeding. The ADR period expired on December 20, 2009, after which date the parties allegedly developed a Consent Agreement and Final Order (CAFO) pending final approval. Presently, complainant intends to amend the Complaint by removing Count V, and adding violations that occurred after an April 2008 inspection of Respondent's facility. It is understood that the proposed CAFO includes the changes effected by the amended complaint.

The ADR process is terminated and as the undersigned lacks authority to rule on the motion to amend, this proceeding is returned to the Chief Judge.

Dated this 29th day of January 2010.
