Re: **Partial Vacation of Stop Sale, Use or Removal Order**
(Docket No. FIFRA-08-2014-0001)

Dear Mr. Martin:

On August 15, 2013, the United States Environmental Protection Agency (EPA) Region 8 issued a Stop Sale, Use or Removal Order (Order) to Specialty Chemical and Systems, Inc. (Specialty Chemical) for two products distributed by Specialty Chemical: LTS Sanitizer (EPA Reg. No. 61647-1); and Sanitizer (EPA Reg. No. 148-628-61647). The Order was issued for violations of 40 C.F.R. § 156.140, and Federal Insecticide Fungicide and Rodenticide Act section 2(q)(1)(E).

On March 6, 2014, EPA Region 8 enforcement personnel received an email with information indicating the revised label for LTS Sanitizer was accepted by EPA's Pesticide Registration Division on March 5, 2014. The accepted label contained the language required by 40 C.F.R. § 156.140.

Based on the actions taken by Specialty Chemical to revise the LTS Sanitizer label as per notification from the EPA Pesticide Registration Division, **EFFECTIVE IMMEDIATELY** the Order is hereby vacated for all sizes and quantities of the LTS Sanitizer which were covered by this Order. **However, the Order is still in full force and effect for the Sanitizer.**

No reply to this letter is required. If you have questions related to this letter, or any specific pesticide labeling questions, please contact Dennis Jaramillo of my staff at 303-312-6203 or by email at jaramillo.dennis@epa.gov.
