By a motion labeled unopposed, dated January 26, 2011, complainant moved for and extension of the ADR period, currently scheduled to expire January 31, 2011, to March 31, 2011. The motion points out, that although no settlement has been reached, complainant has only recently completed its analysis of respondent's ability to pay and that the parties are in active discussions to settle this proceeding. It is anticipated that granting the motion will enable the parties to reach a settlement.
