Re: Administrative Order Closure, PWS ID# WY5601031, Docket No. SDWA-08-2016-0019

Dear Ms. Morris:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order) issued to the West End Water District (District), as owner and operator of the West End Water District Public Water System on September 12, 2016. The EPA has determined that the District has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that the District is still required to comply with the National Primary Drinking Water Regulations (Drinking Water Regulations), 40 C.F.R. part 141. Violation of the Drinking Water Regulations may result in a court-imposed injunction and/or penalty of up to \$55,907 per day of violation.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact Jill Minter at (303) 312-6084.

Sincerely,

A handwritten signature in blue ink that reads "T. Cantor".
