Dear Mr. Moore:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close Administrative Orders (Orders), issued to Southside Well Improvement and Service District (District) as owner and/or operator of the Southside Well Improvement and Service District Public Water System, as follows: Docket Nos. SDWA-08-2008-0097 issued on September 2, 2008, SDWA-08-2009-0047 issued on June 2, 2009, and SDWA-08-2011-0015 issued on January 25, 2011. The EPA has determined that the District has complied with the terms of each of the Orders and therefore we will close all three Orders at this time.

Please be aware that the District is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Mario Mérida at 303-312-6297. We thank you for resolving these issues.

Sincerely,

Kimberly Pardue-Welch, Team Leader  
Drinking Water Enforcement Program  
Office of Enforcement, Compliance  
and Environmental Justice
