REGIONAL HEARING CLERK

I have been working to put together information to present on our behalf concerning Docket No. FIFRA-07-2006 -0240. I met with Rupert G. Thomas and one of his associates at your office on September 20 2006. I am requesting a 30 day extension beyond the date listed on the letter I received. This extra time would allow myself and your office staff a chance to review the information that I plan to provide. Would you please notify me at you earliest convenience concerning this request.

Thank you for you consideration,

Trent Sprecker
