Re: Administrative Order Closure, Arby's Restaurant
PWS ID 5601603, Docket No. SDWA-08-2011-0033

Dear Mr. Maier:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order) issued to Ferdinand Dirt, L.L.C. (LLC), on March 24, 2011. The EPA has determined that the LLC has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that the LLC is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact Kathelene Brainich at (303) 312-6481.

Sincerely,

A handwritten signature in black ink that reads "Kimberly Pardue-Welch".
