

NSHE HI Narcissus. LLC

DOCKET NO. UIC-09-2022-0058

This is a Motion to Dismiss. A Motion in Limine is not appropriate. Chief Justice Roberts wrote the majority opinion of SEC v. Jarkesy, 144 S.Ct. 2117 that adamantly clarifies, if you're going to take someone's possession it must be done in a court of law. Roberts was very clear, ALJ's issuing civil penalties to either punish or use as a deterrent violates my constitutional rights.

I also ask to continue the hearing deadlines and stay all further pretrial filings until a determination is made on whether the current proceeding is valid in light of Jarkesy.

Please bear with me because I know this is not the proper format, I am just a every day American trying to defend myself against a tyrannical government just like the Colonist did that lead to the Declaration of independence!
