**RESPONDENT LEROY TOURS GERALD WATER SUPPLY CORPORATION'S
AGREED MOTION FOR EXTENSION TO ANSWER AND REQUEST A HEARING**

TO THE REGIONAL HEARING CLERK (6RC-D):

Comes Now, Respondent Leroy Tours Gerald Water Supply Corporation ("LTG WSC"), P.O. Box 22, Leroy, Texas 76654, and files this Agreed Motion for Extension to Answer and Request a Hearing to the Administrative Complaint filed by the Director of the Enforcement and Compliance Assurance Division of EPA, Region 6 ("Complainant"), and in support thereof shows the following:

I.

The above referenced Administrative Complaint was served in the President of the LTG WSC by certified mail on September 22, 2021; therefore, LTG WSC's Answer and deadline to Request a Hearing is October 22, 2021. LTG WSC conferred informally with EPA on October 13, 2021 regarding the alleged violations. During the informal conference, the parties discussed the possibility of settlement through informal meetings with EPA and agreed on action to be taken in the next thirty days toward resolution of the issues raised in the Complaint. For this reason, LTG WSC requests a thirty-day extension of time to file its Answer and Request for Hearing until November 21, 2021. EPA was consulted regarding this request and concurs.

II.

For these reasons, Respondent respectfully requests that the request for extension of time to answer and request a hearing be granted, and Respondent be given until November 22, 2021 to file an Answer and Request a Hearing, and for such other relief to which it shows itself to be entitled.

Respectfully submitted,
