1.2. Pursuant to Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), and in accordance with the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties,” 40 C.F.R. Part 22, the EPA issues, and Basic Outlet LLC (“Respondent”) agrees to issuance of the Final Order attached to this Consent Agreement (“Final Order”).

**II. PRELIMINARY STATEMENT**

2.1. In accordance with 40 C.F.R. §§ 22.13(b) and 22.18(b), issuance of this Consent Agreement commences this proceeding, which will conclude when the Final Order becomes effective.

2.2. The Director of the Enforcement and Compliance Assurance Division, EPA Region 10 (“Complainant”) has been delegated the authority pursuant to Section 14(a) of FIFRA,

7 U.S.C. § 136l(a), to sign consent agreements between the EPA and the party against whom an administrative penalty for violations of FIFRA is proposed to be assessed.

2.3. Part III of this Consent Agreement contains a concise statement of the factual and legal basis for the alleged violations of FIFRA together with the specific provisions of FIFRA and the implementing regulations that Respondent is alleged to have violated.

### **III. ALLEGATIONS**

#### **Statutory and Regulatory Background**

3.1. Pursuant to Section 12(a)(1)(F) of FIFRA, 7 U.S.C. § 136j(a)(1)(F), it is unlawful for any person in any State to distribute or sell to any person any device which is misbranded.

3.2. Section 2(s) of FIFRA, 7 U.S.C. § 136(s), defines a “person” as “any individual, partnership, association, corporation, or any organized group of persons whether incorporated or not.”

3.3. Section 2(h) of FIFRA, 7 U.S.C. § 136(h), defines a “device” as “any instrument or contrivance (other than a firearm) which is intended for trapping, destroying, repelling, or mitigating any pest or any other form of plant or animal life (other than man and other than bacteria, virus, or other microorganism on or in living man or other living animals); but not including equipment used for the application of pesticides when sold separately therefrom.”

3.4. Section 2(t) of FIFRA, 7 U.S.C. § 136(t), defines “pest” as “(1) any insect, rodent, nematode, fungus, weed, or (2) any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except viruses, bacteria, or other micro-organisms on or in living man or other living animals) which the Administrator declares to be a pest under section 136w(c)(1) of this title.”

3.5. Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg) defines “to distribute or sell” as “to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.”

3.6. The regulation at 40 C.F.R. § 152.3 further defines “distribute or sell” as “the acts of distributing, selling, offering for sale, holding for sale, shipping, holding for shipment, delivering for shipment, or receiving and (having so received) delivering or offering to deliver, or releasing for shipment to any person in any State.”

3.7. The regulation at 40 C.F.R. § 152.500(b) clarifies that devices are not required to be registered under FIFRA Section 3, but are subject to the requirements set forth in: “(1) FIFRA sec. 2(q)(1) and part 156 of this chapter, with respect to labeling;” “(5) FIFRA sec. 12, 13, and 14, with respect to violations, enforcement activities, and penalties;” and “(6) FIFRA sec. 17, with respect to imports and export of devices.”

3.8. Section 2(p) of FIFRA, 7 U.S.C. § 136(p), defines “label” as “the written, printed, or graphic matter on, or attached to, the pesticide or device or any of its containers or wrappers.” This section also defines “labeling” as “all labels and all other written, printed, or graphic matter (A) accompanying the pesticide or device at any time; or (B) to which reference is made on the label or in literature accompanying the pesticide or device...”

3.9. Section 2(q)(1)(A) of FIFRA, 7 U.S.C. § 136j(q)(1)(A), states that a device is “misbranded” if “its labeling bears any statement, design, or graphic representation relative thereto or to its ingredients which is false and misleading in any particular.”

3.10. The regulation at 40 C.F.R. § 156.10(a)(5)(ii) states that a device is misbranded if its labeling contains a false or misleading statement concerning the effectiveness of the product as a pesticide or device.

3.11. The regulation at 40 C.F.R. § 156.10(a)(5)(ix) states that a device is misbranded if the labeling makes “[c]laims as to the safety of the pesticide or its ingredients, including statements such as “safe,” “nonpoisonous,” “noninjurious,” “harmless” or “nontoxic to humans and pets” with or without such a qualifying phrase as “when used as directed.”

3.12. The regulation at 40 C.F.R. § 156.10(f) states that the producing establishment’s registration number preceded by the phrase “EPA Est.” of the final establishment at which the product was produced must appear on the labeling for a device. The establishment’s registration number may appear in any suitable location on the label or immediate container, but must appear on the wrapper or outside container of the package if the EPA establishment registration number on the immediate container cannot be clearly read through such wrapper or container.

3.13. Pursuant to FIFRA Section 17(c)(1) of FIFRA, 7 U.S.C. § 136o(c)(1), imported misbranded devices may be refused admission into the United States.

3.14. Pursuant to Section 14(a)(1) of FIFRA, 7 U.S.C. § 136l(a)(1), and 40 C.F.R. Part 19, the EPA may assess a civil penalty of not more than \$24,885 for each offense.

### **General Allegations**

3.15. Respondent is incorporated in the State of Washington. Therefore, Respondent is a “person” as that term is defined in Section 2(s) of FIFRA, 7 U.S.C. § 136(s).

3.16. The product “FlyFry” is a “device” as that term is defined by Section 2(h) of FIFRA, 7 U.S.C. § 136(h).

### **Count 1: Sale or Distribution of a Misbranded Device**

3.17. The allegations in Paragraphs 3.1 through 3.16 of this Consent Agreement are incorporated herein by reference.

3.18. On February 8, 2024, Respondent imported a shipment of the “FlyFry” product.

3.19. On February 23, 2024, the EPA issued a Notice of Refused Admissions (“NORA”) pursuant to FIFRA Section 17(c)(1) of FIFRA, 7 U.S.C. § 136o(c)(1) for the shipment of the “FlyFry” device.

3.20. At all times relevant to this Consent Agreement, the labelling materials for each “FlyFry” device contained the following false or misleading statements, rendering the device “misbranded” as that term is defined by Section 2(q)(1)(A) of FIFRA, 7 U.S.C. § 136(q)(1)(A):

- 1) “FlyFry®. Safe. Smart. Strong.”
- 2) The printed EPA Establishment Number was a domestic establishment number, which cannot be used for devices manufactured internationally.

3.21. The EPA waived the issuance of the NORA on or around February 29, 2024, contingent on Respondent remedying the misbranding issues.

3.22. Respondent imported, and thus distributed or sold, the misbranded “FlyFry” device once on or around February 8, 2024. Therefore, on or around February 8, 2024, Respondent violated Section 12(a)(1)(F) of FIFRA, 7 U.S.C. § 136j(a)(1)(F) at least one time.

#### **IV. TERMS OF SETTLEMENT**

4.1. Respondent admits the jurisdictional allegations of this Consent Agreement.

4.2. Respondent neither admits nor denies the specific factual allegations contained in this Consent Agreement.

4.3. In determining the amount of penalty to be assessed, the EPA has taken into account the factors specified in Section 14(a)(4) of FIFRA, 7 U.S.C. § 136l(a)(4). After considering all of these factors, the EPA determined, and Respondent agrees, that an appropriate penalty to settle this action is \$2,420 (the “Assessed Penalty”).

4.9. The Assessed Penalty, including any additional costs incurred under Paragraph 4.8, represents an administrative civil penalty assessed by the EPA and shall not be deductible for purposes of federal taxes.

4.15. Respondent consents to the issuance of any specified compliance or corrective action order, to any conditions specified in this Consent Agreement, and to any stated permit action.
