Subject: RE: Chill transportation reports - EFS Summary Chart June 2022 Invoices
Date: Friday, July 15, 2022 11:42:06 AM

Hi Sonia:

You do not need to re-type your Explanatory Statement to update that Statement's figure of \$9190.91 for the June 2022 fuel costs, which as you pointed out below, did not yet include the EFS Invoice (June 23, 2022) for \$902.28.

I have created a chart below for the five (5) EFS invoices for the month of June 2022 with a combined total of \$10,093.19. As EPA reviews your submissions, I will make sure we understand that your Explanatory Statement was intended to include all 5 EFS invoices for June 2022, as listed below.

Sonia's Email Explanation	EFS Invoice Date	Total Invoice Amount \$
1 of 4 (per subsequent email it should have been 1 of 5)	6/30/2022	3364.83
2 of 5	6/23/2022	902.28
3 of 5	6/16/2022	1236.56
4 of 5	6/9/2022	2984.22
5 of 5	6/2/2022	1605.30
	TOTAL	10,093.19

Please feel free to let me know if I missed anything here in regard to the June 2022 EFS fuel invoices.

Thank you also for your call to me which we just finished. We look forward to getting the additional information we discussed in our call.

Please be safe and have a good weekend.

Sincerely,

Rick Cool

Also on that explanatory statement that I sent you. I was short of the fuel amount paid by \$902 do you want me to retype that or can I leave the explanatory statement alone?

Yes Sonia I got your first email with an attachment and I could open it.

Multiple emails with single attachments works for me. Please send away.

I will be on a one hour call starting at 10:30 so I will not be able to respond until later this morning.

Thank you.

Rick

Hi Sonia:

I am sorry to hear about your hospital stay. I hope you are feeling better.

Yes, we are flexible on the submission date. Let's target next **Friday, July 15** for you to make your submissions.

Please let me know if that Friday July 15 works for you.

We appreciate your help and hope to get your submission next week. Please let me know if you have any questions or need any assistance.

Best wishes,

Rick Cool

Hi Sonia:

Thank you for your email. I appreciate your follow-up.

Do you think you could make the submission of what you have finished by next **Friday, July 8?**

We would like to start reviewing what ever is available by **Friday, July 8**, and you could notify us if there were any reports still be waited for. We will accept the later reports so that is not an issue to worry about.

So please respond to this email and let me know if you will make at least the preliminary submissions of what you have by **Friday July 8**.

Please send the submissions to both me and Patrick Johnson. I have copied Patrick here so you have his email and could also get from his prior emails.

Thank you again for your cooperation. I hope you are feeling better and stronger. Hope you have time to relax some over this July 3th holiday weekend.

Sincerely,

Rick Cool

Subject: Chill transportation reports

Hi Rick

This is Sonia. I've completed as much as I can complete up to today but still need just a little more time to complete it. And Im waiting on some reports I had asked for that have not come in yet. when you get a chance can you email me to see if I can get a little more time to complete it. And to let me know if this would be the best email to send you everything? Thank you
