Re: Administrative Order Addendum #6 issued to the Bennor Estates Improvement and Service District, PWS ID# WY5601596, Docket No. SDWA-08-2010-0074

Dear Ms. Gray:

Pursuant to paragraph 10 of the Administrative Order (AO) issued September 9, 2010, to the Bennor Estates Improvement and Service District (District) by the EPA, this 6<sup>th</sup> Addendum to the AO extends the completion date in Addendum #5 to bring the system into compliance with the maximum contaminant level (MCL) for combined radium. This Addendum letter constitutes the written approval by the EPA of the District's revised schedule as indicated below.

As described in your letter dated December 15, 2015, construction of the pipeline has been completed, the meter building for the District has been built, and the District intends to connect to the Gillette regional water pipeline and provide water to its customers following installation of the booster pump station by July 1, 2016. The District will notify the EPA as soon as regional water is provided to the District's customers. The District will achieve compliance with the combined radium MCL by July 1, 2016.

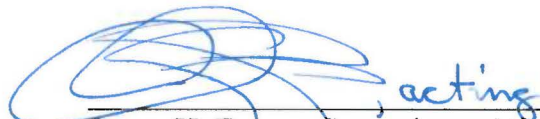

Please note that this is the 6<sup>th</sup> Addendum and the EPA expects this approved schedule to be met. The EPA is authorized to seek penalties if these deadlines are not met. If the District has a reasonable basis to believe it may be unable to meet any deadline in the schedule, it shall notify the EPA well in advance of the scheduled deadline to request an extension. The EPA may, in its discretion, consider granting an extension.

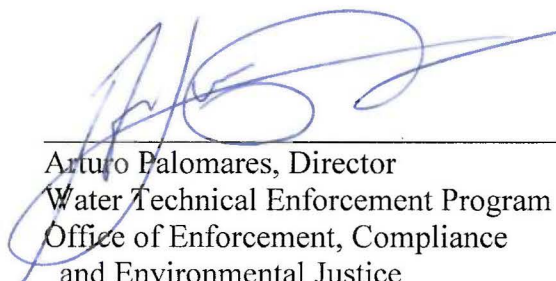

Printed on Recycled Paper

Please contact Jill Minter at (303) 312-6084 or [minter.jill@epa.gov](mailto:minter.jill@epa.gov) if you have any questions concerning this Addendum. If the District is represented by an attorney, please ask your attorney to call Marc Weiner at the above 800 number, extension 6913, or (303) 312-6913, or [weiner.marc@epa.gov](mailto:weiner.marc@epa.gov).

Sincerely,

  
James H. Eppers, <sup>acting</sup> Supervisory Attorney  
Legal Enforcement Program
