ORDER GRANTING SECOND EXTENSION
OF TIME TO FILE ANSWER

By a motion filed by the United States Environmental Protection Agency (Complainant) on November 29, 2021, Complainant and MCEC, Inc. (Respondent) seek an extension of time up to and including January 18, 2022 for Respondent to respond to the Complaint in this action. Respondent does not object to Complainant's motion.

Pursuant to The Consolidated Rules of Practice at 40 C.F.R. § 22.07(b), the Presiding Officer may grant a motion for an extension of time to respond to a complaint “for good cause shown, and after consideration of prejudice to other parties.” Based on the information in the moving papers, I conclude good cause exists for granting Complainant's request for the above-referenced extension.

IT IS THEREFORE ORDERED THAT:

The time for Respondent to respond to the Complaint and request a hearing is extended to and including January 18, 2022.
