Docket No. CWA-02-2014-3305

U.S. Environmental
Protection Agency-Reg 2

REGIONAL HEARING
CLERK

**JOINT MOTION FOR EXTENSION OF TIME
TO FILE THE ANSWER**

The complaint in the above matter was filed by Complainant, United States Environmental Protection Agency ("EPA") on June 24, 2014, and received by Respondent on June 27. Therefore, Respondent's answer is due on or before July 28, 2014.

On Monday, July 7, 2014, the parties held a telephone conference to discuss settlement of the matter without a hearing. While the parties did not reach settlement during this initial conference, the negotiations were in good faith and Respondent plans to consider and propose a settlement offer in the next two weeks, including a Supplemental Environmental Project. Thereafter, the parties will hold another telephone conference to discuss the proposal and attempt to reach a settlement.

Both parties anticipate that they will be able to resolve this matter through settlement, and agreed to jointly move for an extension of time for Respondent to file the answer. Therefore, on behalf of the parties, Complainant hereby requests a 30-day extension of the date to file an answer, so the answer would be due on August 27, 2014.
