Your Honor—

This responds to your email of this morning requesting a call at 10:30am today to discuss Turog's request for an extension of time to file its brief. I request that such a call be delayed until I have had an opportunity to review and consider the issues raised by Mr. Clever. I anticipate sending a letter to Mr. Clever by Friday or Monday responding to the issues in his letter to Your Honor; I need to consult with EPA management before responding to the extension request. In the meantime, EPA does not object to an extension of 1 week. Please advise if Your Honor agrees to delay the call. Thank you.
