Docket No. CWA-08-2012-0025

Charles Figur to Maria Whiting-Beale

Charles Figur/R8/USEPA/US

Maria Whiting-Beale/DC/USEPA/US@EPA

Dear Ms. Whiting-Beale

I am writing in response to Chief Administrative Law Judge Biro's letter to me dated December 13, 2012. I apologize for responding after the due date of December 27, 2012, however I had to take unanticipated sick leave yesterday. I understand from counsel for respondent that they have accepted Judge Biro's offer to participate in an alternative dispute resolution process. If it is not too late, Complainant would like to accept Judge Biro's offer to participate in the ADR process as well.

Thank you for your consideration.
