ORDER

In response to an Order to Show Cause as to why a Default Order should not be issued in this matter for failure to comply with a prehearing order of this Tribunal, respondent has answered that the parties "believe" that they have settled the case. Given respondent's representation, it is in the interests of justice to stay proceedings and to allow the parties to execute a Consent Agreement and Final Order (CAFO). The CAFO is to be filed no later than December 1, 2006.
