Docket No. CAA-07-2006-0255

ORDER

On December 8, 2006, Respondent O'Reilly Automotive, Inc. faxed a Second Motion for Extension of Time to Respond to Complaint and Notice of Opportunity for Hearing ("Second Motion for Extension of Time"). The hard copy of said Motion for Extension of Time was filed on December 11, 2006. On November 27, 2006, I granted Respondent an extension of time until December 13, 2006 in which to file its answer. I note that, although Respondent has titled its Motion for Extension of Time as a "Second Motion," according to the record in this matter, it is actually Respondent's third motion for extension of time.¹

For good cause shown, Respondent's Second Motion for Extension of Time is GRANTED. It is therefore ORDERED that Respondent shall file its answer on or before January 11, 2007. It is further ORDERED that the parties will file a brief status report on or before January 4, 2007. The report will include a statement of whether the parties anticipate submission of settlement documents by January 11, 2007. Additional requests for extension of time will not be granted absent *extraordinary circumstances*.

Date: Dec. 12, 2006
