Re: Closure of Administrative Order for Compliance under Section 309(a) of the Clean Water Act Docket No. CWA-08-2018-0005

Dear Mr. Hogan:

This letter is to inform you of the U.S. Environmental Protection Agency's (EPA's) decision to close the Administrative Order for Compliance (Order), Docket No. CWA-08-2018-0005, issued to Foxridge Development Corporation on April 10, 2018. The EPA has determined that Foxridge Development Corporation sold all lots at the Saddlebrook Subdivision, Phases 2-4, located at 900 East 600 South, River Heights, Utah and there are no remaining obligations under the Order. As a result, the EPA is closing the Order.

Please be aware that Foxridge Development Corporation is still required to comply with the Clean Water Act (Act) and its implementing regulations. Violations of the Act or its implementing regulations may result in a court-imposed injunction and/or penalty of up to \$54,833 per day for each violation.

If you have any questions regarding this letter or any other matters pertinent to compliance with the Act, you may contact Emilio Llamozas, Technical Enforcement, at (303) 312-6407 or llamozas.emilio@epa.gov. Any questions from counsel should be directed to Laurianne Jackson, Senior Assistant Regional Counsel, at (303) 312-6950 or jackson.laurianne@epa.gov.

Thank you for your assistance in resolving this matter.

Sincerely,

Stephanie DeJong, Chief
NPDES and Wetlands Enforcement Section
Enforcement and Compliance Assurance Division
