**Re: Administrative Order Termination – U.S. EPA Docket No. SDWA-03-2026-0091DS
Ames Trailer Court
PWS ID No. PA6200054**

Dear Mark Ames:

The United States Environmental Protection Agency, Region 3, (“EPA”) issued the above-referenced Administrative Order to Ames Trailer Court (“the System”) on February 11, 2026. In response to that Administrative Order, the System submitted the service line inventory as required by 40 C.F.R. §§ 141.84(a) and 141.90(e) and certified that the service line inventory is accessible to the public as required by 40 C.F.R. §§ 141.84(a)(5). The System also submitted a consumer notification for unknown service lines and certified that the consumer notification was provided to all persons served by the water system at a service connection with an unknown service line.

Pursuant to Section VI “Termination” of the Administrative Order, the EPA is informing you that the requirements of the Order have been met, and the EPA is terminating the Order as of the date of this letter.

Please be advised that the System continues to be subject to the SDWA, 42 U.S.C. §§ 300f - 300j-27, and the applicable requirements of the National Primary Drinking Water Regulations found in 40 C.F.R. Part 141.

If you have questions regarding any of the above information or the System's future compliance obligations, please contact Sara Calcinore, Enforcement Officer, Safe Drinking Water Act and Wetlands Section, at (215) 814-2043 or calcinore.sara@epa.gov.

Sincerely,

Andrea Bain
Acting Director
Enforcement and Compliance Assurance Division
U.S. EPA, Region 3
