Re: *In the Matter of: NRT New England LLC and Coldwell Banker Real Estate Services, LLC.,*
Docket No. TSCA-01-2008-0107

Dear Ms. Santiago:

I have been retained to represent the interests of NRT New England, LLC and Coldwell Banker Real Estate Services, LLC in this matter.

I am writing to request a forty-five (45) day extension of time in which my clients must answer the administrative Complaint. The answer is currently due on or about October 29, 2008. The extension would require the filing of our answer on or before December 12, 2008. This extension would afford me the opportunity to obtain and review the various documents upon which the Complaint is predicated, discuss the same fully with my clients and respond appropriately to the detailed allegations set forth in the administrative Complaint. Currently, I am in receipt of the Complaint itself and various enclosures served on my clients by the EPA. Parenthetically, I did discuss this request for extension directly with Bill Chin, Enforcement Counsel. He quite graciously indicated that he has no objection to this request.

Mr. Chin and I also discussed the fact that my clients are requesting an informal settlement conference. Mr. Chin and I will schedule this conference for a mutually convenient date and time.

Thank you for you anticipated courtesy and cooperation.

Very truly yours,
