Docket No. TSCA-07-2015-0004

ORDER

On May 26, 2015, Respondent filed Respondent's Motion for Extension of Time to Responsively Plead. For good cause shown, Respondent's Motion for Extension of Time is granted.

In addition, based upon my review of the record in this matter, Complainant filed the Complaint in the above-captioned matter on April 22, 2015. Subsequently, on May 22, 2015, Complainant filed a First Amended Complaint. Unless otherwise protected, all documents filed with the Regional Hearing Clerk pursuant to Part 22 of the Consolidated Rules of Practice are treated as public documents made available upon request. 40 C.F.R. § 22.9(a). In reviewing the Complaint and First Amended Complaint, it appears that both may contain personally identifiable information ("PII") that can be used to distinguish, trace or identify an individual's identity, including personal information which is linked or linkable to an individual.

IT IS ORDERED:

1. Respondent shall file its answer on or before July 27, 2015.
2. Complainant shall conduct a thorough review of the Complaint and First Amended Complaint filed in this matter to determine what information contained in those documents is PII, such that it can be used to distinguish, trace or identify an individual's identity, including personal information which is linked or linkable to an individual.

3. On or before July 2, 2015, any and all portions of the aforementioned documents determined to contain PII are to be redacted. Redacted versions are to be filed with the Regional Hearing Clerk. The redacted documents will be included in the public record. The non-redacted documents will be retained as part of the case file but not disclosed to the public.
