PRELIMINARY STATEMENT

1. This Consent Agreement is entered into by the Director of the Enforcement and Compliance Assurance Division, U.S. Environmental Protection Agency, Region 3 ("Complainant") and Becton Dickinson and Company, ("Respondent") (collectively the "Parties"), pursuant to Sections 3008 of the Solid Waste Disposal Act, commonly known as the Resource Conservation and Recovery Act of 1976, as amended by *inter alia*, the Hazardous and Solid Waste Amendments of 1984 (collectively referred to hereinafter as "RCRA"), 42 U.S.C. § 6928 and the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation, Termination or Suspension of Permits ("Consolidated Rules of Practice"), 40 C.F.R. Part 22. Section 3008 of RCRA, 42 U.S.C. § 6928, authorizes the Administrator of the U.S. Environmental Protection Agency ("the EPA" or "the Agency") to assess penalties and undertake other actions required by this Consent Agreement. The Administrator of the EPA has delegated this authority to the EPA, Region 3, Regional Administrator who, in turn, has delegated the authority to enter into Consent Agreements to the Complainant. This Consent Agreement and the attached Final Order (hereinafter jointly referred to as the "Consent Agreement and Final Order") resolve Complainant's civil penalty claims against Respondent under RCRA for the violations alleged herein.
2. In accordance with 40 C.F.R. §§ 22.13(b) and 22.18(b)(2) and (3) of the Consolidated Rules of Practice, Complainant hereby simultaneously commences and resolves this administrative proceeding.

3. The EPA has jurisdiction over the above-captioned matter, as described in Paragraph 1, above.
4. The Consolidated Rules of Practice govern this administrative adjudicatory proceeding pursuant to 40 C.F.R. § 22.1(a)(4).
5. In accordance with Section 3008(a)(2) of RCRA, 42 U.S.C. § 6928(a)(2), on December 20, 2023, the EPA sent written notice to the State of Maryland, through the Maryland Department of the Environment (“MDE”), of the EPA’s intent to commence this administrative action against Respondent in response to the violations of RCRA Subtitle C that are alleged herein.

7. Except as provided in Paragraph 6, above, Respondent neither admits nor denies the specific factual allegations set forth in this Consent Agreement.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

13. In accordance with 40 C.F.R. §§ 22.13(b) and 22.18(b)(2) and (3) of the Consolidated Rules of Practice, Complainant alleges and adopts the Findings of Fact and Conclusions of Law set forth immediately below.

14. On February 11, 1985, pursuant to Section 3006(b) of RCRA, 42 U.S.C. § 6926(b), and 40 C.F.R. Part 271, Subpart A, the EPA granted the State of Maryland authorization to administer the Maryland Hazardous Waste Management Regulations (“MdHWM Regulations”), set forth at the Code of Maryland Regulations (“COMAR”), Title 10, Subtitle 51 et seq., in lieu of the certain federal hazardous waste management regulations established pursuant to RCRA Subtitle C, 42 U.S.C. §§ 6921-6939e. Through this authorization, certain provisions of the MdHWM Regulations became requirements of RCRA Subtitle C and are, accordingly, enforceable by the EPA, on and after that date, pursuant to Section 3008(a) of RCRA, 42 U.S.C. § 6928(a). The EPA authorized revisions to the portions of the MdHWM Regulations, set forth at COMAR, Title 26, Subtitle 13, effective on July 31, 2001, September 24, 2004, and on October 31, 2016, and, accordingly, such authorized provisions of the revised MdHWM Regulations are enforceable by the EPA on and after those dates pursuant to § 3008(a) of RCRA, 42 U.S.C. § 6928(a).
15. Respondent is, and was at the time of the violations alleged herein, a corporation of the State of New Jersey.
16. Respondent is, and at the time of the violations alleged herein was, a “person” as defined in Section 1004(15) of RCRA, 42 U.S.C. § 6903(15), and COMAR § 26.13.01.03B(61).
17. Respondent is, and at the time of the violations alleged herein has been, the “owner” and “operator” of a “facility,” described in paragraph 17, below, as the terms “facility”, “owner” and “operator” are defined in COMAR 26.13.01.03B(23), (59) and (58).
18. The Facility referred to in Paragraph 16, above, including all its associated equipment and structures, is located at 39 Loveton Circle, Sparks Maryland, 21152, and is operated to manufacture: a) certain dehydrated culture media used in microbe culture cultivation for the detection and identification of infections and b) certain dyes and stains used to detect microbial cells.
19. Respondent submitted Biennial Reports, dated February 28, 2022, and February 12, 2024, through which Respondent identified itself as a Large Quantity Generator of hazardous waste at the Facility.
20. Respondent has not applied for or obtained a RCRA permit to treat, store and/or dispose of hazardous waste at the Facility.
21. Respondent is, and at all times relevant to this Consent Agreement and Final Order has been, a “generator” of, and has engaged in the accumulation or “storage” in “containers” at the Facility of materials described below that are “solid wastes” and “hazardous wastes” as those terms are defined in COMAR §§ 26.13.01.03.B.(29), (76), (9), (73), and (31).
22. Respondent is assigned EPA RCRA ID No. MD0000899898, relating to the management of hazardous waste at the Facility.

23. On March 28-29, 2023, representatives of the EPA conducted an EPA Compliance Evaluation Inspection (the “CEI” or “Inspection”) at the Facility to examine the Respondent’s compliance with applicable federally authorized MdHWM Regulations and federally promulgated hazardous waste management regulations.
24. As part of the normal course of operations at the Facility, Respondent’s personnel manufacture: a) certain dehydrated culture media used in microbe culture cultivation for the detection and identification of infections and b) certain dyes and stains used to detect microbial cells. Respondent generates hazardous waste in at least five areas of the Facility and such waste is transferred to two separate Hazardous Waste Accumulation Areas prior to shipment off-site.
25. At the time of the Inspection, Respondent had accumulated hazardous waste in containers at the Facility, including hazardous waste identified as EPA Hazardous Waste No. D001, which is hazardous waste within the meaning of COMAR 26.13.02.11 because such waste exhibits the characteristic of ignitability.
26. On the basis of the EPA’s findings during the Inspection, and other information provided to the EPA by the Respondent after the Inspection, the EPA concludes that Respondent has violated certain federally authorized MdHWM Regulations requirements, as enumerated below.

CIVIL PENALTY

39. In settlement of the EPA's claims for civil penalties for the violations alleged in this Consent Agreement, Respondent consents to the assessment of a civil penalty in the amount of **TWELVE THOUSAND SIX HUNDRED TWELVE DOLLARS (\$12,612)**, which Respondent shall be liable to pay in accordance with the terms set forth below.
40. The civil penalty is based upon the EPA's consideration of a number of factors, including the penalty criteria ("statutory factors") set forth in Section 3008(a)(3) of RCRA, 42 U.S.C. § 6928(a)(3), including, the following: the seriousness of the violation and any good faith efforts to comply with the applicable requirements. These statutory factors were applied to the particular facts and circumstances of this case with specific reference to the EPA's October, 1990 RCRA Civil Penalty Policy, as revised in June 2003 ("RCRA Penalty Policy"), which reflect the statutory penalty criteria and factors set forth at Section 3008(a)(3) of RCRA, 42 U.S.C. §§ 6928(a)(3), the appropriate Adjustment of Civil Monetary Penalties for Inflation, pursuant to 40 C.F.R. Part 19, and the applicable EPA memoranda addressing the EPA's civil penalty policies to account for inflation.

41. Respondent agrees to pay a civil penalty in the amount of **TWELVE THOUSAND SIX HUNDRED TWELVE DOLLARS (\$12,612)** (“Assessed Penalty”) within 30 days of the Effective Date of this Consent Agreement and Final Order.
42. Respondent shall pay the Assessed Penalty and any interest, fees, and other charges due using any method, or combination of appropriate methods, as provided on the EPA website: <https://www.epa.gov/financial/makepayment>. For additional instructions see: <https://www.epa.gov/financial/additional-instructions-making-payments-epa>.
43. When making a payment, Respondent shall:
 - a. Identify every payment with Respondent’s name and the docket number of this Consent Agreement, RCRA-03-2025-0099,
 - b. Concurrently with any payment or within 24 hours of any payment, Respondent shall serve Proof of Payment simultaneously by email to the following person(s):

Kathleen J. Root, Esq.
Sr. Assistant Regional Counsel
root.kathleen@epa.gov

U.S. Environmental Protection Agency
Cincinnati Finance Center
CINWD_AcctsReceivable@epa.gov,

and

U.S. EPA Region 3 Regional Hearing Clerk
R3_Hearing_Clerk@epa.gov.

“Proof of Payment” means, as applicable, a copy of the check, confirmation of credit card or debit card payment, or confirmation of wire or automated clearinghouse transfer, and any other information required to demonstrate that payment has been made according to the EPA requirements, in the amount due, and identified with the appropriate docket number and Respondent’s name.

44. Interest, Charges, and Penalties on Late Payments. Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to timely pay the full amount of the Assessed Penalty per this Consent Agreement, the EPA is authorized to recover, in addition to the amount of the unpaid Assessed Penalty, the following amounts.
 - a. Interest. Interest begins to accrue from the Effective Date of this Consent Agreement. If the Assessed Penalty is paid in full within thirty (30) days, interest accrued is waived. If the Assessed Penalty is not paid in full within thirty (30) days, interest will continue to accrue until any unpaid portion of the Assessed Penalty as well as any interest, penalties, and other charges are paid in full. To protect the interests of the United States, the rate of interest is set at the Internal Revenue Service (“IRS”) large corporate underpayment rate, any lower rate would fail to provide Respondent adequate incentive for timely payment.

- b. Handling Charges. Respondent will be assessed monthly a charge to cover the EPA's costs of processing and handling overdue debts. If Respondent fails to pay the Assessed Penalty in accordance with this Consent Agreement, the EPA will assess a charge to cover the costs of handling any unpaid amounts for the first thirty (30) day period after the Effective Date. Additional handling charges will be assessed every thirty (30) days, or any portion thereof, until the unpaid portion of the Assessed Penalty as well as any accrued interest, penalties, and other charges are paid in full.
 - c. Late Payment Penalty. A late payment penalty of six percent (6%) per annum, will be assessed monthly on all debts, including any unpaid portion of the Assessed Penalty, interest, penalties, and other charges, that remain delinquent more than ninety (90) days. Any such amounts will accrue from the Effective Date.
45. Late Penalty Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the Assessed Penalty, interest, or other charges and penalties per this Consent Agreement, the EPA may take additional actions. Such actions the EPA may take include, but are not limited to, the following:
- a. Refer the debt to a credit reporting agency or a collection agency, per 40 C.F.R. §§ 13.13 and 13.14.
 - b. Collect the debt by administrative offset (i.e., the withholding of money payable by the United States government to, or held by the United States government for, a person to satisfy the debt the person owes the United States government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, per 40 C.F.R. Part 13, Subparts C and H.
 - c. Suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds, per 40 C.F.R. § 13.17.
 - d. Refer this matter to the United States Department of Justice for litigation and collection, per 40 C.F.R. § 13.33.
46. Allocation of Payments. Pursuant to 31 C.F.R. § 901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of debt will be applied first to outstanding handling charges, second to late penalty charges, third to accrued interest, and last to the principal that is the outstanding Assessed Penalty amount.
47. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this Consent Agreement shall not be deductible for purposes of federal taxes.
48. Payment of the civil penalty is due and payable immediately upon Respondent's receipt of a true and correct copy of the fully executed and filed Consent Agreement and Final Order. Receipt by Respondent or Respondent's legal counsel of such copy of the fully executed

Consent Agreement and Final Order, with a date stamp indicating the date on which the Consent Agreement and Final Order was filed with the Regional Hearing Clerk, shall constitute receipt of written initial notice that a debt is owed the EPA by Respondent in accordance with 40 C.F.R. § 13.9(a).

49. The Parties consent to service of the Final Order by e-mail at the following valid email addresses: Root.Kathleen@epa.gov (for Complainant) and Matthew.Garamone@bd.com (for Respondent).
50. Pursuant to 26 U.S.C. § 6050X and 26 C.F.R. § 1.6050X-1, the EPA is required to send to the IRS annually, a completed IRS Form 1098-F (“Fines, Penalties, and Other Amounts”) with respect to any court order or settlement agreement (including administrative settlements), that require a payor to pay an aggregate amount that the EPA reasonably believes will be equal to, or in excess of, \$50,000 for the payor’s violation of any law or the investigation or inquiry into the payor’s potential violation of any law, including amounts paid for “restitution or remediation of property” or to come “into compliance with a law.” The EPA is further required to furnish a written statement, which provides the same information provided to the IRS, to each payor (i.e., a copy of IRS Form 1098-F). Failure to comply with providing IRS Form W-9 or Tax Identification Number (“TIN”), as described below, may subject Respondent to a penalty, per 26 U.S.C. § 6723, 26 U.S.C. § 6724(d)(3), and 26 C.F.R. § 301.6723-1. In order to provide the EPA with sufficient information to enable it to fulfill these obligations, the EPA herein requires, and Respondent herein agrees, that:
 - a. Respondent shall complete an IRS Form W-9 (“Request for Taxpayer Identification Number and Certification”), which is available at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>;
 - b. Respondent shall therein certify that its completed IRS Form W-9 includes Respondent’s correct TIN or that Respondent has applied and is waiting for issuance of a TIN;
 - c. Respondent shall email its completed Form W-9 to the EPA’s Cincinnati Finance Center at henderson.jessica@epa.gov, within 30 days after the Final Order ratifying this Consent Agreement is filed, and the EPA recommends encrypting IRS Form W-9 email correspondence; and
 - d. In the event that Respondent has certified in its completed IRS Form W-9 that it has applied for a TIN and that TIN has not been issued to Respondent within 30 days after the Effective Date, then Respondent, using the same email address identified in the preceding sub-paragraph, shall further:
 - i. notify the EPA’s Cincinnati Finance Center of this fact, via email, within 30 days after the 30 days after the Effective Date of the Final Order; and
 - ii. provide the EPA’s Cincinnati Finance Center with Respondent’s TIN, via email, within five (5) days of Respondent’s issuance and receipt of the TIN.

GENERAL SETTLEMENT CONDITIONS

51. By signing this Consent Agreement, Respondent acknowledges that this Consent Agreement and Final Order will be available to the public and represents that, to the best of Respondent's knowledge and belief, this Consent Agreement and Final Order does not contain any confidential business information or personally identifiable information from Respondent.
52. Respondent certifies that any information or representation it has supplied or made to the EPA concerning this matter was, at the time of submission true, accurate, and complete and that there has been no material change regarding the truthfulness, accuracy or completeness of such information or representation. The EPA shall have the right to institute further actions to recover appropriate relief if the EPA obtains evidence that any information provided and/or representations made by Respondent to the EPA regarding matters relevant to this Consent Agreement and Final Order, including information about respondent's ability to pay a penalty, are false or, in any material respect, inaccurate. This right shall be in addition to all other rights and causes of action that the EPA may have, civil or criminal, under law or equity in such event. Respondent and its officers, directors and agents are aware that the submission of false or misleading information to the United States government may subject a person to separate civil and/or criminal liability.
53. Respondent certifies to the EPA, upon personal investigation and to the best of its knowledge and belief, that it currently is in compliance with regard to the violations alleged in this Consent Agreement.

OTHER APPLICABLE LAWS

54. Nothing in this Consent Agreement and Final Order shall relieve Respondent of its obligation to comply with all applicable federal, state, and local laws and regulations, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on the validity of any federal, state, or local permit. This Consent Agreement and Final Order does not constitute a waiver, suspension, or modification of the requirements of the RCRA, or any regulations promulgated thereunder.

RESERVATION OF RIGHTS

55. This Consent Agreement and Final Order resolves only the EPA's claims for civil penalties for the specific violation[s] alleged against Respondent in this Consent Agreement and Final Order. The EPA reserves the right to commence action against any person, including Respondent, in response to any condition which the EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. This settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice, 40 C.F.R. § 22.18(c). The EPA reserves any rights and remedies available to it under RCRA, the regulations promulgated thereunder and any other federal law or regulation to enforce the terms of this Consent Agreement and Final Order after its effective date.

FINAL ORDER

Complainant, the Director of the Enforcement and Compliance Assurance Division, U.S. Environmental Protection Agency, Region 3, and Respondent, Becton Dickinson and Company, have executed a document entitled "Consent Agreement," which I hereby ratify as a Consent Agreement in accordance with the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits ("Consolidated Rules of Practice"), 40 C.F.R. Part 22 (with specific reference to Sections 22.13(b) and 22.18(b)(2) and (3). The terms of the foregoing Consent Agreement are accepted by the undersigned and incorporated into this Final Order as if fully set forth at length herein.

Based upon the representations of the parties in the attached Consent Agreement, the penalty agreed to therein is based upon consideration of, inter alia, the EPA's 1990 RCRA Civil Penalty Policy, as revised in June 2003 and May 2020 ("RCRA Penalty Policy"), and the statutory factors set forth at Section 3008(a)(3) of RCRA, 42 U.S.C. §§ 6928(a)(3).

This Final Order constitutes the final Agency action in this proceeding. This Final Order shall not in any case affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief, or criminal sanctions for any violations of the law. This Final Order resolves only those causes of action alleged in the Consent Agreement and does not waive, extinguish or otherwise affect Respondent's obligation to comply with all applicable provisions of RCRA and the regulations promulgated thereunder.

The Effective Date of the attached Consent Agreement and this Final Order is the date on which this Final Order is filed with the Regional Hearing Clerk.
