Complainant, United States Environmental Protection Agency, Region 8 (the EPA or Complainant), and Respondent, GlaxoSmithKline Vaccines, NA (Respondent) (together, the Parties), hereby consent and agree as follows:

)

1. This Combined Complaint and Consent Agreement (CCCA) is entered into by the Parties pursuant to sections 113(a)(3)(A) and 113(d) of the Clean Air Act (CAA), 42 U.S.C. §§ 7413(a)(3)(A) and 7413(d), for alleged violations of the implementing regulations associated with the "Prevention of Accidental Releases" requirements of section 112(r) of the CAA, 42 U.S.C. § 7412(r). This proceeding is subject to EPA's *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits* (Rules of Practice), 40 C.F.R. part 22.

2. The undersigned EPA official has been properly delegated the authority to enter into this CCCA.

3. 40 C.F.R. § 22.13(b) provides that where the Parties agree to settle one or more causes of action before the filing of a complaint, an administrative action may be commenced and concluded simultaneously by the issuance of a CCCA.

4. The Parties agree that the settling of this action and refraining from the adjudication of any issue of fact or law, with regard to the issues herein, is in their interest and in the public interest.

 Respondent consents to the terms of this CCCA, including the assessment of the civil penalty specified below.

JURISDICTION AND WAIVER OF RIGHT TO HEARING

6. Respondent admits the jurisdictional allegations in this CCCA and neither admits nor denies all remaining allegations, terms and conditions contained herein.

7. Respondent waives any and all claims for relief, and otherwise available rights to judicial or administrative review or other remedies which the Respondent may have, with respect to any issue of fact or law or any terms and conditions set forth in this CCCA, including any right of judicial review under the Administrative Procedure Act, 5 U.S.C. §§ 701-708.

STATUTORY AND REGULATORY FRAMEWORK

8. Section 112(r)(7) of the CAA, 42 U.S.C. § 7412(r)(7), authorizes the Administrator to promulgate regulations regarding the prevention and detection of accidental releases of designated chemicals. Section 112(r)(7)(B) of the CAA, 42 U.S.C. § 7412(r)(7)(B), requires the Administrator to promulgate regulations requiring the owners or operators of stationary sources where a regulated substance is present above a threshold quantity to prepare a risk management plan (RMP) to prevent or minimize risks of accidental releases of those designated substances. The regulations, promulgated by the EPA pursuant to CAA § 112(r)(7), are set forth in 40 C.F.R. part 68.

9. Under 40 C.F.R. § 68.3, the following definitions apply:

- a. "Stationary source" means "any buildings, structures, equipment, installations or substance emitting stationary activities which belong to the same industrial group which are located on one or more contiguous properties, which are under the control of the same person (or persons under common control) and from which an accidental release may occur."
- b. "Regulated substance" means "any substance (listed pursuant to section 112(r)(3) of the
 Clean Air Act) in 40 C.F.R. § 68.130." Threshold quantities for the regulated substances are
 included in 40 C.F.R. § 68.130.

10. Section 302(e) of the CAA, 42 U.S.C. § 7602(e), defines the term "person" to include in relevant part, an individual, corporation, or partnership.

Respondent is a corporation, and therefore a person, and thus subject to regulation under section
 of the CAA, 42 U.S.C. § 7412.

Respondent is the owner and/or operator of the pharmaceutical manufacturing and Research &
 Development facility, a stationary source, which is located at 553 Old Corvallis Road, Hamilton,
 Montana (Facility).

13. The Facility uses, handles, and/or stores more than a threshold quantity of chloroform(CAS #: 67-66-3), a regulated substance.

14. Pursuant to section 112(r)(7) of the CAA, 42 U.S.C. § 7412(r)(7), the Respondent is required to prepare and implement a RMP to detect and prevent or minimize accidental releases of such substances.

15. 40 C.F.R. § 68.12 provides that the owner or operator of a stationary source subject to 40 C.F.R. part 68 shall submit a single RMP as provided in §§ 68.150 to 68.185.

16. 40 C.F.R. § 68.150 provides that the owner shall submit the first RMP no later than the date on which a regulated substance is first present above a threshold quantity in a process.

SPECIFIC ALLEGATIONS

17. In a letter dated January 30, 2014, the EPA contacted the Facility to determine Respondent's compliance with the CAA § 112(r)(7). Based on subsequent communications with the Facility, the EPA alleges the Facility is in violation of the CAA § 112(r)(7). The alleged violation is described in paragraph 18 below.

18. The facility exceeded a threshold quantity of chloroform (CAS #: 67-66-3) on February 17, 2010, in a process. The Facility did not submit the required RMP until April 14, 2014. Therefore, the Facility was in violation of the CAA § 112(r)(7), and 40 C.F.R. §§ 68.12 and 68.150, from February 17, 2010, until April 14, 2014.

<u>PENALTY</u>

19. Section 113(d)(1)(B) of the Act, 42 U.S.C. § 7413(d)(1)(B), and 40 C.F.R. part 19 authorize the assessment of a civil penalty of up to \$37,500 per day of violation for each violation of the

implementing regulations associated with the "Prevention of Accidental Releases" requirements of 42 U.S.C. § 7412(r). To determine the amount of the civil penalty to be assessed pursuant to section 113(e)(1) of the Act, 42 U.S.C. § 7413(e)(1), the EPA took into account, in addition to such other factors as justice may require, the size of the business, the economic impact of the penalty on the business, the violator's full compliance history and good faith efforts to comply, the duration of the violations as established by any credible evidence (including evidence other than the applicable test method), payment by the violator of penalties previously assessed for the same violations, the economic benefit of noncompliance, and the seriousness of the violations.

20. Respondent consents and agrees to pay a civil penalty in the amount of one hundred seventytwo thousand nine hundred dollars (\$172,900).

21. Attachment A (Collection Information) to this CCCA, provides terms for payment including the assessment of fees and interest charges for late payments.

22. The violation alleged in paragraph 18 has been corrected.

23. Once the Respondent receives a copy of the Final Order and pays in full the penalty assessment described above, the EPA agrees not to take any further civil administrative penalty action against the Respondent for the violation alleged in this CCCA.

OTHER TERMS

24. This CCCA contains all terms of the settlement agreed to by the Parties.

25. This CCCA, upon incorporation into a final order, applies to and is binding upon the EPA, Respondent, and Respondent's successors or assigns.

26. Nothing in the CCCA shall relieve Respondent of the duty to comply with the CAA and its implementing regulations.

27. Failure of Respondent to comply with any terms of this CCCA shall constitute a breach and may result in referral of the matter to the U.S. Department of Justice for enforcement of this agreement and such other relief as may be appropriate.

28. Any change in ownership or corporate status of Respondent, including, but not limited to, any transfer of assets or real or personal property, shall not alter Respondent's responsibilities under this agreement.

29. Nothing in the CCCA shall be construed as a waiver by the United States of its authority to seek costs or any appropriate civil penalty associated with any action instituted in the appropriate U.S. District Court as a result of Respondent's failure to perform pursuant to the terms of this CCCA.

30. The undersigned representative of Respondent certifies that he or she is fully authorized to enter into and legally bind Respondent to the terms and conditions of the CCCA.

31. The Parties agree to submit this CCCA to the Regional Judicial Officer, with a request that it be incorporated into a final order.

32. Each Party shall bear its own costs and attorney fees in connection with this administrative matter.

33. Respondent agrees that the penalty shall never be claimed as a federal or other tax deduction or credit.

34. This CCCA, upon incorporation into a final order by the Regional Judicial Officer and full satisfaction by the Parties, shall be a complete and full civil settlement of the EPA's civil penalty claims against Respondent for the specific violation alleged in this CCCA.
