Docket No. CWA-02-2009-3314

**COMPLAINT**  
**FINDINGS OF VIOLATION, NOTICE OF PROPOSED**  
**ASSESSMENT OF A CIVIL PENALTY, AND**  
**NOTICE OF OPPORTUNITY TO REQUEST A HEARING**

**I. Statutory Authority**

1. This Findings of Violation, Notice of Proposed Assessment of a Civil Penalty, and Notice of Opportunity to Request a Hearing ("Complaint") is issued under the authority vested in the Administrator of the U.S. Environmental Protection Agency ("EPA") by Section 309(g)(2)(A) of the Clean Water Act ("Act"), 33 U.S.C. §1319(g)(2)(A). The Administrator has delegated this authority to the Regional Administrator of EPA, Region 2, who in turn has delegated it to the Director, Division of Enforcement and Compliance Assistance ("DECA") of EPA, Region 2 ("Complainant").

2. Pursuant to Section 309(g)(2)(A) of the Act, and in accordance with the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits" ("CROP"), 40 Code of Federal Regulations Part 22, a copy of which is attached, Complainant hereby requests that the Regional Administrator assess a civil penalty against the Village of Dansville Wastewater Treatment Plant ("Respondent") for failure to comply with the

reporting requirements imposed by EPA in violation of Section 405(d) of the Act, 33 U.S.C. §1345(d), at its Village of Dansville Wastewater Treatment Plant ("Sewage Treatment Plant").

## **II. Findings of Violation**

1. Respondent is a duly organized municipality and is a "person" within the meaning of Section 502(5) of the Act, 33 U.S.C. §1362(5).

2. Respondent owns and operates the Village of Dansville Wastewater Treatment Plant, located in Dansville, New York ("the facility"), which is and was at all relevant times a "point source" within the meaning of Section 502(14) of the Act, 33 U.S.C. §1362(14).

3. Respondent holds a National Pollutant Discharge Elimination System ("NPDES") permit, issued pursuant to Section 402 of the Act, 33 U.S.C. §1342, for its Dansville facility.

4. Under the authority of Section 405(d) and the Standards for the Use and/or Disposal of Sewage Sludge (40 CFR Part 503), the Respondent was required to comply with the reporting requirements in §503.18 for land application, §503.28 for surface disposal, and §503.48 for incineration by reporting annually on February 19, 1994, and every year thereafter, to EPA the information and data collected during the previous calendar year (the "Annual Sludge Report"). The first Annual Sludge Report was due by February 19, 1994, and was to include the information and data collected from July 20, 1993 to December 31, 1993.

5. On September 21, 1994, the Respondent, the Village of Dansville Wastewater Treatment Plant, was issued an Administrative ORDER, Docket EPA-CWA-II-94-180 ("1994 ORDER") for failure to have submitted the first Annual Sludge Report for its Sewage Treatment Plant by February 19, 1994. The 1994 ORDER stated that "the Respondent shall fully comply with all subsequent 40 CFR Part 503 requirements by reporting annually, on February 19, 1995 and every

year thereafter to EPA the information and data collected during the previous calendar year (the "Annual Sludge Report")."

6. On March 31, 1997, the Respondent, the Village of Dansville Wastewater Treatment Plant, was issued an Administrative ORDER, Docket EPA-CWA-II-97-49 ("1997 ORDER") for failure to have submitted the fourth Annual Sludge Report for its Sewage Treatment Plant by February 19, 1997. The 1997 ORDER stated that "the Respondent shall fully comply with all subsequent 40 CFR Part 503 requirements by reporting annually, on February 19, 1998 and every year thereafter to EPA the information and data collected during the previous calendar year (the "Annual Sludge Report")."

7. On April 7, 2009, the Respondent, Village of Dansville Wastewater Treatment Plant, was issued an Administrative ORDER, Docket CWA-02-2009-3053 ("2009 ORDER") for failure to submit the sixteenth Annual Sludge Report for its Sewage Treatment Plant by February 19, 2009. The 2009 ORDER stated that "the Respondent shall fully comply with all subsequent 40 CFR Part 503 requirements by reporting annually, on February 19, 2010 and every year thereafter to EPA the information and data collected during the previous calendar year (the "Annual Sludge Report")."

8. Telephone conversations between Ms. Roufaeal of this office and Mr. Petti of the Village of Dansville on April 29, 2009, and on May 19, 2009, confirmed that the Respondent failed to submit the Annual Sludge Report by February 19, 2009.

9. The Respondent failed to submit the sixteenth Annual Sludge Report for its Sewage Treatment Plant by February 19, 2009.

10. The Respondent's failure to submit the Annual Sludge Report due on February 19, 2009, as described above constitutes a violation of Section 405(d) of the Act. Since this is the Respondent's third failure to submit a required report, EPA has determined that, under

Section 309(g)(2)(A) of the Act, 33 U.S.C. §1319(g)(2)(A), the Respondent is liable for the administrative assessment of civil penalties in an amount not to exceed \$16,000 per violation, up to a maximum of \$37,500.

### **III. Notice of Proposed Order Assessing a Civil Penalty**

Based on the foregoing Findings of Violation, and pursuant to the authority of Section 309(g) of the Act, 33 U.S.C. §1319(g), and the Debt Collection Improvement Act of 1996, EPA, Region 2 hereby proposes to issue a Final Order Assessing Administrative Penalties ("Final Order") to Respondent assessing a penalty of \$5,500. EPA determined the proposed penalty after taking into account the applicable factors identified at Section 309(g)(3) of the Act, 33 U.S.C. §1319(g)(3). EPA has taken account of the nature, circumstances, extent and gravity of the violation (or violations), and Respondent's prior compliance history, degree of culpability, economic benefit or savings accruing to Respondent by virtue of the violations, and Respondent's ability to pay the proposed penalty. Based on the Findings set forth above, the Respondent has been found to have violated the Act in three (3) instances.

### **IV. Notice of Opportunity to Request a Hearing**

1. Respondent may, within thirty (30) days of receipt of this Complaint and as part of any Answer filed in this matter, request a Hearing on the proposed civil penalty assessment and at the Hearing may contest the factual allegations set forth in the Findings of Violation contained in Section II above, and the appropriateness of any penalty amount. The procedures for the Hearing, if one is requested, are set out in the CROP, including Subpart I thereof.

2. Be aware that should Respondent request a hearing on this proposed penalty assessment, members of the public, to whom EPA is obligated to give notice of this proposed action, will have a right under Section 309(g)(4)(B) of the Act, 33 U.S.C. §1319(g)(4)(B), to be heard and to

present evidence on the appropriateness of the penalty assessment. Should Respondent not request a hearing, EPA will issue a Final Order, and only members of the public who submit timely comment on this proposal will have an additional thirty (30) days to petition EPA to set aside the Final Order and to hold a hearing thereon. EPA will grant the petition and will hold a hearing only if the petitioner's evidence is material and was not considered by EPA in the issuance of the Final Order.

#### **V. Filing an Answer**

1. If Respondent wishes to avoid being found in default, it must file a written Answer to this Complaint with the Regional Hearing Clerk no later than thirty (30) days from the date of receipt of this Complaint. EPA may make a motion pursuant to §22.17 of the CROP seeking a default order thirty (30) days after Respondent's receipt of the Complaint unless Respondent files an Answer within that time. If a default order is entered, the entire proposed penalty may be assessed without further proceedings.

2. The Answer must clearly and directly admit, deny or explain each of the factual allegations contained in the Complaint with respect to which Respondent has knowledge or clearly state that Respondent has no knowledge as to particular factual allegations in the Complaint. The Answer also shall state:

- a) The circumstances or arguments which are alleged to constitute grounds of any defense;
- b) The facts which Respondent disputes;
- c) The basis for opposing the proposed relief;
- d) Whether a Hearing is requested.

3. Failure of Respondent to admit, deny, or explain any material factual allegations in this Complaint shall constitute admission of the allegation.

## **VI. Filing of Documents**
