Subject Docket No. CWA-05-2007-0004

Dear Ms. Whiting-Beale:

This e-mail is to inform you that my client, Respondent Logan County Water Pollution Control District, accepts participation in the U.S. EPA's alternative dispute resolution process in connection with the above-referenced matter.

It is the preference of my client that the nature of the ADR process involve both mediation and neutral evaluation.

My client is willing to participate in the ADR process on a schedule that is mutually agreeable to my client, the U.S. EPA and its counsel, and the administrative law judge assigned to handle the ADR.

If you have any questions relating to this acceptance of ADR, please do not hesitate to contact me.
