Re: Termination of Administrative Compliance Order
Double V Dairy, LLC
Docket No.: CWA-07-2010-0085

Dear Mr. Updegraff:

On March 30, 2010, the referenced Administrative Compliance Order was issued by the U.S. Environmental Protection Agency to Double V Dairy, LLC under the authority of Section 309(a) of the Clean Water Act, 33 U.S.C. § 1319(a). Based on information provided to the EPA, it appears Double V Dairy, LLC is no longer the owner or operator of the dairy operation and is no longer associated with the facility. This letter serves as a notification to you that the EPA is terminating the Order. The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Stephen Pollard of my staff, at (913) 551-7582 or Dan Breedlove in the Office of Regional Counsel at (913) 551-7172.

Sincerely,

A handwritten signature in black ink that reads "Karen A. Flournoy".
